REGINALD CLIFFORD HODSMAN

Reginald Clifford Hodsmen was born on April 17, 1906, at Regina. His parents came from York, England, in 1904 and settled in Regina, where the family has remained. He attended Victoria Public School and Central Collegiate in Regina and worked for a short time in the Royal Bank of Canada there. Articled in 1925 with Rooke, Thomas and Company, Chartered Accountants, he received his C.A. degree in 1929. He has been active on the Executive Council of the Saskatchewan Institute of Chartered Accountants for several years and is at present Vice-president of the Institute. In 1936 he married Muriel Alice Rensley of St. Catharines, Ontario. They have two daughters and a son. In 1927 he joined the Civil Service of the Province of Saskatchewan and at present holds the position of Deputy Provincial Auditor.

He is a member of St. Paul's Anglican Pro-Cathedral in Regina, where in his earlier years he was active as a Sunday School teacher and a member of the Anglican Young People's Association, being a Past President of St. Paul's Branch and also of Regina Deanery Council. He has served on the Vestry and is now auditor for the Pro-Cathedral, a position which he has held for several years. He has recently been appointed Monitoring Chairman of the Building Fund Committee for a new Parish Hall.

Brother Hodsmen was raised to the Sublime Degree in Banner Lodge No. 164, G.R.S., Regina on May 22, 1933. He served his Mother Lodge as Worshipful Master in 1946 and was President of the Regina Masonic Council in 1948. He served as District Deputy Grand Master of District No. 2 in 1950-51 and 1951-52. In 1952 he was elected an honorary member of Milestone Lodge No. 164 in recognition of his having acted as D.D.G.M. on behalf of the late W. Bro. Howard Squires of Milestone Lodge, D.D.G.M.-elect of District No. 2 at the time of his death. He was elected to the Board of General Purposes in 1951 and elected Grand Junior Warden in 1953, being promoted each year to reach his present station as the 85th Grand Master of the Grand Lodge of Saskatchewan.

In 1955 he was elected an Honorary Grand Senior Warden of the Grand Lodge of Alberta. He also holds an appointment as the representative of the Grand Lodge of South Dakota near the Grand Lodge of Saskatchewan.

Brother Hodsmen is interested in the Freemasonry and Youth Programs, having given active encouragement to the Lodges in District No. 2 in this work when he held the position of District Deputy Grand Master.

GRAND MASTER, 1926-27

Grand Lodge of Saskatchewan A.F. & A.M.

PROCEEDINGS: ANNUAL COMMUNICATION

Representatives of the Lodges assembled in the Dumbarrugh Hotel in the City of Saskatoon, at 9.00 a.m. on Wednesday, June 20th, 1966.

9.05 a.m.—Deputy Grand Master, Grand Officers and Past Grand Masters entered Grand Lodge in double file, led by W. Bro. Cpl. S. J. Leach and Bro. Sgt. N. F. Bennett, (R.C.M. Police) in dress uniform.

9.15 a.m.—The Most Worshipful the Grand Master entered Grand Lodge escorted by W. Bro. Cpl. S. J. Leach and Bro. Sgt. N. F. Bennett.

The Brethren joined in singing "O Canada."

FLAG CEREMONY

W. Bro. Cpl. S. J. Leach, Royal Canadian Mounted Police, presented the Union Jack and Bro. Sgt. N. F. Bennett presented the Stars and Stripes at the Altar, using the following ceremonies:

"I now present our Flag—the Union Jack—the emblem of Freedom and Democracy.

"As its component crosses were successively combined to symbolize the voluntary unions of free peoples, so may it continue to typify the greater unities of our wider Commonwealth.

"May the red, the colour of the sacrificial blood of the martyrs, the white like the snowy lambkins of Masonry, and the blue of the changeless vault of the sky, symbolically depicting COURAGE, PURITY and TRUTH, blend wherever it floats the wide world round to blazon forth a sure pledge of Liberty, Equality and Fraternity for all peoples everywhere. Long may it wave!"

So mote it be.

NATIONAL ANTHEM

"I now present the flag of the United States of America—the Stars and Stripes. As its stripes represent the original thirteen states and its stars represent the original thirteen and thirty-five other states which have been added successively to the great Republic, so may it continue to grow in the respect of other nations and in its powerful support of freedom the wide world over.

"The flag which I now present is a Ceremonial Flag, the gift of the Brethren of the Grand Lodge of Montana, and expresses not only their patriotism, but also their regard and affection for the Brethren of Saskatchewan.

"I join with my brother flag-bearer and borrow his words. Wherever the Union Jack and the Stars and Stripes float, may they, with one voice, blazon forth a sure pledge of Liberty, Equality and Fraternity for all peoples everywhere. In the unity of that pledge, long may they wave."

So mote it be.

GOD BLESS AMERICA

WELCOME FROM GRAND MASTER

"Brethren of Saskatchewan:

I am very proud indeed to occupy this Grand East on the occasion of our Golden Jubilee Anniversary Annual Communication and have the opportunity of welcoming you one and all to this historic meeting of our Grand Lodge. I only wish it were possible for me to say a word of welcome to each of you individually; for me to have the opportunity of shaking the hand of each one of you, but we have a particularly heavy agenda and as your Grand Master I just content myself with saying "welcome one and all".

This is our Golden Jubilee Anniversary Communication and I feel that our first responsibility is to give thanks to the Great Architect of the Universe for the many blessings that have been bestowed upon us as a Grand Lodge and for the opportunities that He has given us to serve and guide the destinies of this great Craft in the Jurisdiction of Saskatchewan.

I have arranged for a brief service of thanksgiving which will take place very shortly and I ask that each and everyone of you participate in this service, humbly and thankfully.

It is my wish that the proceedings of this Fiftieth Annual Communication be conducted with dignity, with harmony and with a desire for constructive leadership.

I recognise the fact that occasionally Brethren may wish to retire during the sessions of Grand Lodge. Again I remind you that it is my wish that this meeting of Grand Lodge be conducted with dignity and I therefore ask that if it is necessary for any of you to retire, you only do so between items of business and after coming to the Altar and aduling.

We are going to immediately admit many distinguished Brethren from Sister Grand Jurisdictions. They are here to join with us in suitably marking this historic milestone of our Grand Lodge. I ask that each one of you endeavour to make each visitor feel that he personally is particularly welcome to this meeting of our Grand Lodge. I ask that you send our distinguished visitors away from this meeting with a conviction that Saskatchewan friendship and hospitality is the finest, the most sincere and the most genuine on this North American Continent.

Finally, my Brethren, I am merely your presiding Officer and I look to you to help me make this meeting a fitting climax to fifty years of Grand Lodge leadership."

OPENING OF GRAND LODGE

This approach should be considered for implementation in clinical practice.

May it grow and contribute in the years ahead? We are happy to have you with us, Brother Bardwell, and ask that you carry back to your Grand Master and the Brethren of Montana, our most friendly greetings and good wishes.

Very Wonderful Brother Grand Director of Ceremonies, you will conduct our distinguished American guests, accompanied by their hosts, to the East, and you will then lead in extending the Grand Honours to them.

SERVICE OF THANKSGIVING

The Grand Master is calling on the Brethren to join in Service of Thanksgiving, and:

I issued a proclamation requesting the Freemasons of Baskashutman to observe Sunday, June 10th, 1938 as GOLDEN JUBILEE ANNIVERSARY MEETING. I am assuming that whenever possible all Lodges honoured this proclamation. We now, in Grand Lodge assembled, will give thanks to the Most High for the many blessings He has been pleased to bestow upon our Grand Lodge during the past fifty years.

Very Wonderful Brother Bardwell, Acting Grand Chaplain, you will now conduct our service of Thanksgiving.

Thus saith the high and lofty One that inhabiteth eternity, whose name is Holy, I dwell in the high and holy place, with him also that is of a contrite and humble spirit.

PSALM 100 1) Be joyful in the Lord, all ye lands, serve the Lord with gladness and come before His presence with a song.

2. Be ye sure that the Lord He is God, it is He that hath made us, and not we ourselves: we are His people and the sheep of His pasture.
3. O go your way into His gates with thanksgiving, and into His courts with praise; be thankful unto Him and speak good of His name.
4. For the Lord is gracious, His mercy is everlasting, and His truth endureth from generation to generation.

GRAND MASTER'S ADDRESS

The M. W. the Grand Master delivered the following address which, on motion of M. W. Bros. R. R. McEwen and G. H. Hammel, was referred to the Committee on Grand Master's Address and Jurisprudence.

To the Most Worshipful the Grand Lodge of Saskatchewan,
A. F. & A. M.

My Brethren

It is my privilege to extend to each and all a hearty fraternal welcome to this Golden Jubilee Communication of the Most Worshipful the Grand Lodge of Saskatchewan, A. F. & A. M.

A year ago you elected me to the highest office in your power to bestow. I appreciate this very great honour and have tried to fulfil the duties of the office to the best of my ability. You, my Brethren, must decide whether I have measured up to those responsibilities.

The past year has been a most delightful one—one of the happiest of my life. I shall ever cherish as among the "choice flowers in Memory's Garden" the happy associations and lasting friendships formed.

For the Grand Lodge Officers who have assisted me I have nothing but admiration for their manifest devotion to duty, the team spirit always in evidence and the ability they displayed in all undertakings.

degree of uniformity in The Work that can be found anywhere. In order to maintain this uniformity it is desirable that all Officers attend their District Meetings. Since Lodge Officers are Massentially elected and as tied they will not be equipped to give the membership that Freemasonry so vitally requires and demands. The District Meeting is primarily a school of instruction at which your Grand Secretary, as a member and at the request of the Board of Catechists, gives authorized instruction in the Lectures Work and all Ceremonials.

The tour of District Meetings was a highlight in my year of office as it gave me the opportunity to see first-hand the great work that Freemasonry is accomplishing in our Province.

NEW BUREAU

It is with deep regret and pained sorrow that we recall the passing, during the year of two of our revered Past Grand Masters.

At Ottawa, Ontario, on January 22nd, 1936, Most Worshipful Brother James Wilfred Lacey died following a tragic illness. The Masonic Funeral Rites were conducted at Saskatoon under the Charter of Saskatchewan Lodge No. 16 by myself, assisted by Most Worshipful Brothers G. H. Hummel and Robert A. Tate.

Most Worshipful Brother Mark Mueh died in Prince Albert on February 27th, 1936. The Masonic Funeral Rites were conducted under the Charter of Prince Albert Lodge No. 83 by Most Worshipful Brothers Robert A. Tate, E. J. A. Branson and K. E. Partridge.

"Were a star quenched on high,
For aye would its light
Fall, wandering downward
through the sky
Beam on our mortal night,
Be when a good man dies,
For years beyond our ken
The light behind him shines
Upon the path of men."

We extend to our Sister Grand Jurisdictions our deepest sympathy in the loss of the following distinguished Brothers of whose deaths we have been officially notified during the past year:

ANNIVERSARIES

During the year a number of Lodges celebrated various important anniversaries. We congratulate the members on the distinction attained and their record of achievement.

Due to weather conditions and conflicting commitments, I was able to attend only one Fourth Anniversary, that of Mount Lodge No. 18. It was well attended and proved to be a satisfactory occasion.

The following Christmas Caroling was prepared by Brother R. E. Keel, Dean of the Church of the Epiphany and distributed through the medium of The Training Board:

GREETING TO ALL MEMBERS OF THE RAFT ON THIS CHRISTMAS OF OUR JUBILEE YEAR IN THE PROVINCE OF SASKATCHEWAN

As Christmas draws near we are reminded that there is all that pertains to the preparation for this glorious Festival. The old and young grips on, and we wait for the everything possible, not only to make it happy, but to bring others to join with us in singing, and to see its significance for themselves and for the world.

No story is so oft repeated as the Christmas Story. The story holds deep love to large and pathetic delight to tell. But the great thing for us all to remember is that God loved the World. This universal, self-sacrificing, suffering work of love that He gave His only begotten Son. And the reason that God gave His Son is that men of every age and race should not perish, but have everlasting life.

God's Gift is the prototype of all Christmas gifts. No wonder it rolls forth the first as we send trials as to give gifts to one another as Christmas comes each year.

As we tell the story over through each material to Bethlehem, but they must not stop there, nor dwell only on the manger, as with the shepherds of almost two thousand years ago. The glorious work to remember is that the Christmas Story is timeless. Bethlehem is a town that never dies, nor ceases being ever brighten. It is as near as the Home of God as which you assemble with your Brothers to worship our Lord and Master. There you daily worship the new-born King as truly as the shepherds did. God's Gift is for you as much as for them.

Bethlehem truly surely be
Where our hearts can worship Thee
Where our tongues can tell Thy praise
And our Christmas Anthem raise."

Bethlehem means the House of Peace. It is a sobering thought for all of us that in this year of Jubilee and the land of plenty there are still millions in the world who do not know where their next meal is to be found.

Passing the Christmas trade will be a great tribute to Him who gave the world the Gift of Himself unless we are endeavoring to do all in our power to give bread to the hungry and shelter to the naked.

When men learn to exemplify in their daily living the Spirit of the Christ (could there the whole world not know the magical cure of the Angels' message, "Peace on earth, good will toward men.")

CONFERENCE

I attended the Fifteenth Annual Conference of Western Canadian Grand Lodges held at Ponf, Alberta, on September 26, 27, 28 and 29, 1935. The Grand Lodge of Saskatchewan was represented by Most Worshipful Brother Robt. A. Tate, Grand Secretary. Right Worshipful Brother R. C. Henderson, Deputy Grand Master, and myself. A detailed report will be presented to Grand Lodge by the Deputy Grand Master.

VISITATION TO OTHER GRAND LODGES

On August 16th, and 17th, 1935, I attended the Annual Commemoration of the Grand Lodge of Minnesota, at Minnetonka. On the return trip I had the pleasure of being shown through the Masonic Home at Helena by the Representative.

On October 26, 27, and 28, 1935, I attended the Annual Commemoration of the Grand Lodge of Illinois at Chicago, returning the visit of Most Worshipful Brother F. J. Lawrence, Past Grand Master of Illinois, who was our guest a year ago. He acted as our host and I gratefully acknowledge his fine hospitality.

Accompanied by the Grand Secretary, I attended the Annual Commemoration of the Grand Lodge of Massachusetts at St. Paul on March 21st and 22nd, 1936. Massachusetts Freemasonry was highly honored at our Annual Commemoration not only by having as our guest speaker Most Worshipful Brother Judge Lewis F. Mason of our Grand Lodge. His lecture on "The Challenge of Masonry in a Troubled World" was a masterly and thought-provoking presentation of this timely subject.

On May 1st and 2nd, 1936, I attended the Annual Commemoration of the Grand Lodge of New York, returning the visit of Right Worshipful Brother R. Orr, Grand Representative of the Grand Lodge of Saskatchewan, near that Host. This meeting accompanied the One Hundred and Seventy-Fifth Anniversary of its founding under a charter from the Grand Lodge of England. The visit to this the largest American Grand Lodge with its manifold Masonic activities was an inspiring experience.

On June 24, and 25, 1936, as suggested by the Grand Secretary, I attended the Annual Commemoration of the Mother Grand Lodge of Manitoba, and on June 27th and 28th, 1936, the Annual Commemoration of our Sister Grand Lodge of Alberta. Today we welcome representatives of these Grand Lodges and assure them that these previous meetings as well further cement the bonds of fraternal relationship between our respective Grand Lodges.

The High Commissioner, being unable to attend, sent Mr. Chapman, P.M., of the York Lodge, to represent him. Mr. Chapman, in his address to the Brethren, said that the High Commissioner had been very busy since his departure from the Province, and that he had been unable to attend the meeting. He then presented the Brethren with a letter from the High Commissioner, in which he expressed his regret at being unable to attend, and his appreciation of the Brethren's efforts to improve the Craft. The Brethren then elected Mr. Chapman, P.M., as their representative to the High Commissioner's meeting, and he was thanked for his services.

And whereas it is our purpose at the 1936 Annual Commemoration thereof fittingly to celebrate the Golden Jubilee of that auspicious event,

And whereas it is proper and desirable that we should be prepared especially for participation therein by joining together in Divine Worship, rendering thanks to Him and imploring His continued favor

Now therefore be it known, that we James Herbert Coddington, Grand Master of the Most Worshipful Grand Lodge of Buckingham, A. F. & A. M. do now proclaim,

That Sunday the 10th day of June 1936, shall be observed by the Freemasons of Buckingham as GOLDEN JUBILEE ANNIVERSARY SUNDAY.

And that Worshipful Masters, Officers, and Members of all constituent Lodges are requested to assemble on that day and proceed, clothed in regalia, and in due season to attend Divine Service as shall be arranged by the Worshipful Masters,

And that the object and purpose of this occasion is that Freemasons may bear witness before the world of their belief, render praise and thanks to God for His manifold blessings throughout the past fifty years and invoke a continuance of His Favor to and on our Institution in the years which lie ahead.

ACKNOWLEDGMENTS AND APPRECIATION

Each year at the close of Grand Lodge a meeting is held to recognize the standing & capacities of the Board of General Purposes. The Chairman and members of the Committee do a most necessary job in the administration of Grand Lodge. To these untiring efforts we owe much of the success of Grand Lodge today.

I find it impossible to express adequately my appreciation to our Grand Secretary, Most Worshipful Brother Robt. A. Tate. He has been a true friend, a very enjoyable travelling companion and a most talented adviser throughout my tenure in office as Grand Master. Our Grand Lodge is blessed in having him as Grand Secretary. Those who have had best realize that when he gives counsel his strength is never in Freemasonry. His advice, encouragement and manly acts of kindness and loyalty be remembered. In all my recollections I have heard nothing but praise for the very fine contribution which he is making. To him I offer my sincere thanks and appreciation.

To Worshipful Brother J. H. Coddington and his Committee on Masonic Education I extend my personal appreciation for the very fine work they are doing. His talented leadership through many years. Worshipful Brother Coddington has not only contributed greatly to the advancement of Masonic knowledge in our Lodge, but has established an enviable reputation throughout the Masonic world as a leader in that vitally important field.

I must take this opportunity to voice my commendations of our monthly publication "The Trueing Board". Right Worshipful Brother Geo. E. Roberts, the Editor, merits high praise for the very fine work he has done and continues to do in bringing this publication to the Masons of Buckingham.

We are now celebrating the Fifteenth Anniversary of the formation of the Grand Lodge of Buckingham. The special Committee under the Chairman-

ship of Right Worshipful Brother E. Mayman has had a very full year in the preparation and organization of the programme which we are to witness and enjoy here in Saskatoon. To them I give a special salute for having successfully carried out their duties.

Our Freemasonry and Youth Programme still continues to be one of our most important activities. The Brethren throughout our Grand Jurisdiction are enthusiastic in its support. Right Worshipful Brother L. H. Bergeron, Chairman of the Committee, has devoted much time and effort to the work. All his articles in "The Training Board" and letters to the Worshipful Masters and District Deputy Grand Masters, have been very inspirational and I am sure have materially advanced the objectives of the programme.

CONCLUSION

In closing I wish again to express my deep appreciation for the honour of serving as your Grand Master. I am much more humble, much more aware of my complete dependence upon you for whatever I have been able to accomplish during the year than I could possibly have been when I assumed the obligations.

Let us love our Masonry and re-affirm our unshakable faith in the Most High. Freemasonry is founded upon principles, the faithful practice of which is sorely needed in the world today. It has ever stood for Truth, Justice, Tolerance, Understanding and Brotherly Love and it ideally and completely equipped to meet the modern challenge to the happiness of the world. I am convinced that if the principles of Freemasonry were today made the basis of relationships between men and men, there would be an early and lasting peace on earth. I am certain that, in the course of patience and wisdom we can as we and promulgate these teachings throughout our private and public affairs so as to attain for the world that peace we so fervently desire. We must never lose sight of the fact that we teach a great system of morals. We must ever seek to inspire lofty ideals. I close with verses from the prophetic pen of Albert Pike—

"When the armies of earth are disbanded
And their trappings are coated with dust,
When the music forever is mute,
And the cannon is cumbered with rust,
When the sword and the helmet lie trampled
Mid the rubbish of pomp and display—
We shall wake to the glorious dawning
Of the promised Fraternal day

"And that day shall bring joy to the nations,
And open the portals of light
To invade the morasses of darkness
And dispel the mists of night.
Then the Empire of Right shall be founded,
And the sway of its sceptre increase,
Till mankind shall stand shoulder to shoulder
In the ranks—not of war, but of Peace."

Fraternally and respectfully submitted,
JAS. H. CUDINGTON Grand Master

CONCLUSION

The efficient administration of my office depends on a great measure on the cooperation and assistance of the members of our Lodges. I wish to record the grateful appreciation for this group of unselfish, hard-working individuals for the time and money which they have donated both directly and indirectly during the past year towards the maintenance of my office, as well as the efficient handling of my correspondence. I wish to say to our Lodge Secretaries, I quite enjoyed my correspondence for the last year, and I have received from the 151 Lodges, Grand Lodges, and all Southern with whom I have had the privilege of writing.

The office secretaries in cooperation with the campaign to build up our Freemasonry and Youth Development Fund, and the multiplicity of duties requiring attention with respect to arrangements for our Golden Jubilee Celebrations have added materially to the work of my office during the past year.

Our Grand Master is anxious, but unable, to provide the best of the light and the best press service, and the best publicity of Saskatchewan Freemasonry have been in evidence throughout the year of Manitoba Freemasonry. He has not spared himself in the service of Freemasonry. I prize his friendship and I gratefully acknowledge his many courtesies and labours.

Finally, my Brethren, I thank you one and all for your continued confidence, loyalty and friendship. My one desire has been to serve Saskatchewan Freemasonry to the limit of my ability and to do so without consideration of self or self interests. I have completed thirty-five years' continuous service in your Grand Lodge office and I humbly place in your hands the record of my work during the past year.

Another year is gone. What we
have done
Can never be undone, for good or
ill.
A chain of sequence from our acts
will run
Far down the years, and have an
influence still.

To err is human, though we've
made mistakes, we fear,
We've tried our best to choose and
do the right.
We hope the Master's verdict for
the year
May be that we've made progress
toward the light."

To the M W the Grand Lodge of Saskatchewan, A F & A.M.
Brethren

Immediately following the close of Grand Lodge, June 10th, 1955, an organization meeting of the Board of General Purposes was held in the Hotel Saskatchewan, Regina.

The Standing Committees were selected as reported on Pages 143 and 144 of the 1955 Proceedings.

R.W. Bro. T. Luke was elected Vice President and M.W. Bro. Robt. A. Tate was elected Secretary.

The Board met again at 9.30 a.m. on Tuesday, June 10th, 1955, in the Benborough Hotel, Saskatoon, with R.W. Bro. R. C. Hodgman, Deputy Grand Master in the Chair.

The President appointed M.W. Bros. F. H. Auld, D. Fraser, R. L. Hastings, Robt. A. Tate and R.W. Bro. M. Herman, a committee to strike standing committees. He also appointed R.W. Bro. A. Wilson, Chairman of the Credential Committee, with power to add to his Committee.

The standing committees of the Board presented their reports, which were received and referred to Grand Lodge.

A report was received from the Auditors which was referred to the Finance Committee and the Board of Benevolence.

Fraternally submitted,

R. C. HODGMAN, President.

Report of Committee on Finance

M.W. Bro. G. H. Hummel submitted the report of the Committee on Finance, which, on motion by M.W. Bro. G. H. Hummel and J. Q. Clarke, was received and adopted as follows.

To the M.W. the Grand Lodge of Saskatchewan, A.F. & A.M.

Brothers:

Your Committee on Finance submit the following report for the Financial year ended March 31st, 1956.

The Auditors, appointed by the Board of General Purposes, report that they have audited the Books and Records of the Grand Treasurer and the Grand Secretary and find them in order. Your Committee now recommend the Auditors findings for adoption by Grand Lodge. The sound financial position of Grand Lodge basically continues.

The year under review, the General Fund experienced an operating deficit of \$888.54. The Grand Lodge consolidated surplus account enjoyed a net gain of \$8,804.32.

During the past year a Bond Sale exchange transaction resulted in a financial gain of \$226.75.

A grant of \$3,000.00 on account of administration expenses of the Grand Lodge Benevolent, Branch and other Funds was received from the Board of Trustees. This financial support is acknowledged with thanks and appreciation.

Your Committee has enjoyed excellent cooperation with the Fiftieth Anniversary Committee which has been arranging in detail a suitable program that will adequately give expression to celebrating this important event and milestones in our Masonic History.

Upon the approval of this report there will be placed at the disposal of the Fiftieth Anniversary Committee a sum aggregating an amount of \$2,500.00 for the purpose.

Your Committee notes the suggestion contained in the report of the Committee on Library to set aside a sum each year for the purpose of purchasing adequate Masonic reference books suitable for the Grand Lodge Library. In view of the limited library accommodation now available, action on this matter for the present time has been delayed.

Effective April 1st last a renewal rental understanding was entered into with the Regina Temple Co., to provide premises for the Grand Lodge Office at an annual sum of \$2,000.00. Two hundred of the \$440.00 increase is not assessable until April 1st, 1957.

The Committee on Finance respectfully submit, for the approval of Grand Lodge, the attached statement of estimated receipts and expenditures for the current year and for the purpose of record and comparison into the estimated and actual receipts and expenditures for the past year.

Respectfully and fraternally submitted on behalf of the Committee

G. H. HUMMEL, Chairman.

To the M W the Grand Lodge of Saskatchewan, A F & A M
Resolved.

Your Committee on Grievances and Appeals, on the Fifteenth Anniversary of the Grand Lodge of Saskatchewan, is pleased to report that no complaints or appeals have been submitted for its attention during the past Masonic year.

Thus in the fifth anniversary year that a master report has been given by this Committee.

Fraternally submitted,

FRED C. WILSON, Chairman.

R W BRO GARNET E. COOMBS

Two years ago I came from England to be present at the Fifty Anniversary of Hudson Lodge in Mother Lodge. I was inspired by receiving an 18 Year Grand Right in our Grand Lodge Certificate from the hands of the Grand Master M W Bro. F. Wilson.

I was then invited to be clerk with the past in the name of the Lodge. I said then that I was coming forward in the pleasurable anticipation to the Golden Jubilee of Hudson Lodge and hoped that I might be able to be present.

I was the secretary of the past in Lodge No. 1 A F & A M in the years 1905, 1906 and 1907 and since it is well known that records concerning the two last of these years were handed over to Hudson Lodge in May 1st 1908 which started the movement to organize the Grand Lodge of Saskatchewan. At that time was elected to the Hudson Past in as clerk in the old store at Southern East Prince Albert. Bro. J. J. Grant was the P & A Telegraph agent and he placed the message clerk in the which read something as follows: "There are 24 lodges with about 1,000 members in the newly formed Province of Saskatchewan. The time is ripe to join the Grand Lodge of England in the movement to join a Grand Lodge for Saskatchewan and that Grand Lodge the new lodge should call a meeting of representatives of these lodges to consider the matter." I immediately got in touch with the M W Bro. J. C. McEwen who was present at the District Fair Trading Office of the Hudson Past in and a meeting of Hudson Lodge was held at which it was decided to send to the request and on May 15th, 1908, a call for a convention to be held at Prince Albert on May 20th that evening. About 40 members satisfied to make attended the convention and a resolution was approved that the necessary steps toward the formation of a Grand Lodge of Saskatchewan be taken immediately. I attended and participated in every step and Lodge number 1 was given 1911.

There came to my mind up to representing Brother in the M W Bro. and first Grand Master. D. A. H. Cartwright of Regina. The character of Prince Albert. David Murphy of Moose Jaw. The liberal nature of these characters have never been forgotten. These three were from Winnipeg, our first Grand Treasurer W. H. Williamson of Moose Jaw. L. T. McDonald of Regina. D. C. McBeth and Robert Young of Prince Albert. Wm. Hapkins of Regina and H. C. Laid of Edmonton who always took a leading part in our meetings.

Another personality should be mentioned. I refer to Bro. Jas. F. Bette, a pioneer merchant of Prince Albert and a member of Kinastone Lodge. He was speaker of the Assembly of the North West Territories at the turn of the Century.

I am sorry that M W Bro. W B Tate is unable to be here. His life has been given to Freemasonry in this Province, to the benefit of us all.

I am thrilled to be here in the unique position of being the only living member who was present at the birth of the Grand Lodge of Saskatchewan, 50 years ago.

Selection D.D.G.M.

The Most Worshipful the Grand Master announced that it would be necessary for the representatives of the Lodges in Districts Nos. 8, 15 and 19, present at this Communication, to meet during the noon recess and each select a Brother whom they wished to recommend for appointment as D D G M of their District.

The hour having arrived for adjournment the Grand Master called the Craft from labor to refreshment.

First Day — Afternoon Session

Grand Lodge resumed labor at 1:30 p.m. M W Bro. J H Cuddington, Grand Master on the Throne, Grand Officers, Members and Representatives present.

Reception of Grand Representatives

The Grand Representatives of Sister Grand Jurisdictions near the Grand Lodge of Saskatchewan assembled in the approaches to Grand Lodge.

The Representatives of the Grand Lodges in the British Commonwealth of Nations were escorted into Grand Lodge by the Acting Grand Director of Ceremonies, R W Bro J Burns. The Brethren joined in singing "Land of Hope and Glory."

The Representatives of the Grand Lodges in the United States were escorted into Grand Lodge by the Acting Grand Director of Ceremonies. The Brethren joined in singing "The Star Spangled Banner."

The Representatives of other Grand Lodges were escorted into Grand Lodge by the Acting Grand Director of Ceremonies. The Brethren joined in singing "God Bless Our Native Land."

The Grand Master addressed the assembled Grand Representatives as follows:

"Brethren:
We are very jealous of the universality of Regular Freemasonry and you, my Brethren, stand before this Grand Lodge as the Commissioned Ambassadors of regular Grand Lodges throughout the free world.

The Grand Representatives were then awarded Grand Honors.

Report of Committee on Condition of Masonry

W. Bro. J. W. A. Frazier presented the report of the Committee on Condition of Masonry which, as reported by W. Bro. Frazier and M. W. Bro. J. B. Yarker, was received and adopted as follows:

To the M. W. the G. and Lodge of Nashville on A. F. & A. M. Brothers:

On this, the Fiftyeth Anniversary of the formation of this Grand Jurisdiction, your Committee on the Condition of Masonry in Nashville has studied in great haste attempts to show present Masonry in 1955 who initiated the organization of the Grand Lodge and to show where energy, ability and leadership guided its development throughout its long half century.

Of these present Masons, 40 and more, perhaps, I might have been used that there have would have been a blessing in this process in which they lived and worked, but here we must, however, it become a benediction.

A close study of the situation of the District Meetings, the reports of the T. L. C. M. and the situation reports submitted by the constituent Lodges indicate that Masonry in this jurisdiction remains in a healthy and prosperous condition. Masonry with its individual Lodges being part of the whole, these reports contain a register of stress which will bear close scrutiny and which in benediction provides us with a challenge for retention, for improvement and for continued progress.

ANNIVERSARIES

Congratulations and best wishes are extended to those Lodges which on their Jubilee Year celebrate significant anniversaries. On Appaloosa Valley Lodge No. 4, Indian Head Lodge No. 3, and On Appaloosa Lodge No. 8 marked the 50th year of their founding as a District function on June 17th, while Mosheim Lodge No. 2 celebrated its 75th anniversary during the month of April.

During the past year Ashlar Lodge No. 8 observed its 45th year while commemorating with Grand Lodge South Central Lodge No. 28, Alameda Lodge No. 27, Hazlet Lodge No. 28, and Howard Lodge No. 29 are this year celebrating their Golden Jubilee.

Reference is also made to Battle Lodge No. 18 which was originally initiated in 1885 and which after a period of severance was reinitiated in 1924.

Each of these Lodges, after 45 and more years of existence have a proud heritage to protect, maintain, and expand not only in the credit of themselves and the Craft in general, but also in that of their individual jurisdictions.

Significant anniversaries are in themselves a source of pride and your Committee would urge all Lodges to suitably mark these historic occasions on their road of progress.

MEMBERSHIP

18 of Lodges reporting 38 show an increase in membership, 38 report a reduction, while 26 report no change. The most all-round is a net increase in membership in the United Jurisdiction, but not of the nature of increase experienced during the recent years. Your Committee recognizes the point that the past long and continued water crises may have prevented new material from being turned.

FINANCE

Reports indicate that Lodges generally are in sound financial condition. Certain has previously been expressed that in some cases dues are not sufficient to meet operating expenses. A negative of D.D.G.M.'s report that they have urged certain Lodges to increase their dues to ensure financial safety. The Lodges are requested to strengthen themselves while any are reported as being not financially sound. Increases in dues have been effected in six Lodges while one other Lodge is considering like action.

For the last two Lodges giving his details, all within the average dues of 1956 Lodges are Resident at \$4.00, non-residential \$5.00. In 124 Lodges dues for residential and non-residential members are the same.

Amount of interest on the value of dues received, resident and non-resident, 15.15, 12 2 14 10 20 70. A D.D.G.M. \$4.50 - 1, ranging from a high of \$20.00, to a low of \$2.00.

In a number of cases is the tendency towards higher or lower dues seems to follow a pattern.

During the year 57 Lodges report a reduction in net assets, though in some instances this resulted from a revaluation of properties, furniture and regalia.

In all cases Lodge properties appear to be adequately protected by insurance.

AREAS

A review of the individual reports of the D.D.G.M.'s well indicate the concern with which this subject is being viewed. Collection of dues is of primary importance to the financial structure of the Lodge and is herewith directed to the attention of the members as financial responsibility of the Lodges concerned.

18 the Lodges reporting 114 show an increase in the amount of arrears, 64 a reduction, 12 no change and 4 in the happy position of having no arrears.

ATTENDANCE

It would seem evident that the severe weather conditions prevalent during the past winter season adversely affected attendance at Lodge and also the number of meetings held.

Fifty-five Lodges report increased average attendance, 104 a decrease, and 26 no change. 56 Lodges report an increase in the number of meetings held, 34 show a decrease, while 13 report no change.

However, Lodges follow the practice of offering refreshments for their local brethren (breads at every meeting). Consideration should be given to the possibility that this practice may contribute to non-attendance.

It is encouraging to note that a large number of Lodges are adopting measures to increase attendance by the introduction of special meeting features at each of their regular meetings by the formation of working committees, by participation in youth activities and by inter-Lodge visitations.

A well required program of interest is being introduced in every constituent Lodge.

Your Committee is happy to note that all Lodges recognize the value of extending Brotherly Fellowship to the social hour in conjunction with their Lodge meetings, although some Lodges do so only on certain occasions. 140 Lodges enjoy other social events, lodge nights, dinners, parties, etc.

MASONIC EDUCATION

The history of Masonry, wrought through the centuries, provides a never-ending source of revelation and study—readily available to the student for transmission to his Lodge. 143 of our Lodges provide a program of Masonic Education. Of these Lodges 80 conduct their program through a regularly constituted research committee. Your committee recommends that all Lodges appoint such research committees as one means for the retention of interest and improvement of attendance.

Subject material for presentation may be found in the Lodge libraries. 103 Lodges report having libraries comprising an approximate total of 3,700 volumes. Of these libraries 60 are used extensively, 137 occasionally, and 46 rarely. 10 Lodges have a complete set of Grand Lodge Proceedings on file, while most Lodges report a material number of same included in their archives.

Much information may be gleaned from "The Training Board," our monthly publication, the existence of which is recognized beyond the bounds of this Grand Jurisdiction.

For the information of brethren and constituent Lodges interested in expanding their libraries, a selection of popular Masonic books by the best known Masonic Writers of today is available through the Office of the Grand Secretary at Regina.

INSTRUCTION

A fundamental requirement for the success of any Lodge is that their candidates be well coached and the officers efficient in the discharge of their responsibilities. 57 Lodges do not have definite arrangements for the coaching of candidates or the instruction of Junior Officers. Recognizing the difficulties attendant upon some rural Lodges, we would urge that where possible definite arrangements for coaching be effected and committees appointed.

We would suggest that some younger brethren, where available be appointed to the committee on candidate coaching, that they might thus be more integrated into the work of the Lodge.

LOCAL BENEVOLENCE

The lesson of the N. E. angle continues to be well summed by the constituent Lodges, a total sum of \$7,312.49 being granted from Local Benevolent funds. Upon local opinion depends the success of any organization. Thus it is that a D. D. G. M. must report of one Lodge. This is a Lodge with good influence in the community.

We would urge those Lodges presently without, to provide definite arrangements for the care of benevolence, that the possible inadvertent neglect of a case of need might be avoided.

PROPERTIES

Masonic premises generally are well located, in good condition, with adequate safety features.

The new temple of Battle Lodge No. 18 was dedicated by the M. W. the Grand Master assisted by other Grand Lodge officers on October 23, 1933.

Five Lodges provided for additions and improvements to their Temples, two Lodges are contemplating building, and two Lodges have established building funds. Two Temples are in very poor condition and it is hoped that these Lodges will be able to take corrective measures. 111 Lodges own their temples, 27 Lodges share in ownership, and 86 occupy rented premises. 121 temples are occupied exclusively for Masonic purposes.

Congratulations are extended to Wapella Lodge No. 37 on the relief of all encumbrances on their Temple, the burning of the mortgage being effected by the M. W. the Grand Master on the occasion of the District Fellowship Meeting of District No. 8.

The reports received show that most Lodges which were re-located in new districts have been happily integrated and it would appear that these Lodges will be able to offer a material and effective contribution in their new surroundings.

On the occasion of the first anniversary of the formation of District No. 22 we extend well earned commendations to the Lodges therein located for their individual progress and collective contribution to Masonry, and to the D.D.G.M., H.W. Bro. E. Pearson for his pronounced guidance, leadership, and co-operation during the founding period.

Your Committee strongly recommends that the retiring D.D.G.M. in all cases observe the requirements of his office and the Directive of Grand Lodge in the transfer of his records to his successor, to further advance the continuity of efficiency in Office.

With the concurrence of the M.W. the Grand Master, your Committee recommends that the rolls of F.D.D.G.M. be collected on each of the following brethren, namely:

R.W. Bro. W. R. McLaren	District No. 1
R.W. Bro. H. W. R. Atkinson	District No. 2

Reports of District Deputy Grand Masters

On motion of R.W. Bros. G. Kaseley and H. D. Gleave, it was resolved that the following reports of the D.D.G.M.'s having been referred to the Committee on Condition of Masonry be taken as read and printed in the Proceedings.

DISTRICT No. 1

To the M.W. the Grand Master, Officers and Members
of the Grand Lodge of Saskatchewan, A.F. & A.M.

M.W. Grand Master and Brethren:

I beg to submit herewith my report as District Deputy Grand Master for District No.

The District Meeting was held in Prince Albert on Monday July 4th, 1955, with seventy-six members and visiting Brethren present. Rensselaer-Duck Lake, Wakaw and Pleasantdale Lodges were not represented.

Lodge attendance generally, and in the city Lodges particularly, is still a matter of concern. Masters and officers are striving by highlighting their meetings with special features, to get the members to come out to Lodge. I have suggested that perhaps the adoption of a humanitarian project such as a well-developed and continuous Freemasonry and Youth programs could be of help.

While somewhat slow to begin, it is gratifying to be able to report that almost without exception, all Lodges are actively campaigning for the Golden Jubilee Freemasonry and Youth Endowment Fund and good results may be expected.

Masonry continues to progress in this district. I have felt the need for, and have continued to advocate, more versatility and interlodge and interdistrict visiting.

I have derived much pleasure and profit from my experience as D D G M. Road and weather conditions prevented me from attending as many important meetings as I would have had but everywhere I went I received a friendly and courteous reception. I wish to thank the Brothers of District No. 2, who gave me this opportunity for service. The Most Worthy Grand Master for confirming my appointment and the Grand Secretary without whose timely invitation and advice I would have been unable to carry on.

I have no doubt that Worthy Bro. Raulo Rasmussen will experience the loyal support and friendly co-operation accorded me.

Fraternally submitted,

HOWARD W. R. ATKINSON, D D G M

DISTRICT No. 2

To the M W the Grand Master, Officers and Members
of the Grand Lodge of Saskatchewan, A F & A M

M W Grand Master and Brothers

I beg to submit herewith my report as District Deputy Grand Master for District No. 2.

The District Fellowship Meeting was held at Mayor Jew on July 28 with a good attendance. The Grand Master M W Bro. J. H. Cuthbertson, M W Bro. A. Tait and Past Grand Master M W Bro. N. R. Craig were admitted and introduced by R W Bro. W. Hecker. The Grand Master and Grand Lodge Officers were extended a welcome by the D D G M after which Grand Honors were accorded.

The afternoon session was devoted to the presentation of the Installation Certificate, which proved interesting and helpful to all the Brothers. R W Bro. R. Mayes of Memorial Lodge No. 172 was the installing Master and was assisted by Past Masters of Memorial Lodge. At the evening session M W Bro. Tait addressed the Brothers on the subject "Saskatchewan. This was a very fine talk and made me feel proud to be a resident of this province. M W Bro. Cuthbertson took as his subject "The Challenge of the General Change."

I officially visited 21 the Lodges and was well received on all occasions. Due to the unsatisfactory conditions of the roads during the winter some of my visits had to be postponed several times, with the result that three of the Lodges had to be visited in April. In District No. 2 Masonry seems to be in a thriving condition. Interest in the Work and the principles for which Masonry stands seems to be steadily increasing. The Lodge personnel in all cases are kept in good condition and in most cases are being improved from year to year.

The Work is very uniform throughout the District and the Brothers seem well informed about the Kamplification Work that is done at the District.

The meeting was opened by the D.D.G.M. with War Bro. Gray and R.W. Bro. Hart of Weyburn Lodge in the Wardens' Chairs. R.W. Bro. R. C. Smith introduced the Grand Master, M.W. Bro. J. H. Cuddington, the Grand Secretary, M.W. Bro. Robt. A. Tate and Past Grand Master, M.W. Bro. Fred Wilson, who were introduced and accorded Grand Honors.

Elucidation of the Installation Ceremony was carried out by members of the Weyburn Lodge, with instruction by the Grand Secretary as the Ceremony proceeded. This proved very instructive to all members. R.W. Bro. Wenzel of Lethbridge Lodge gave a short paper on "The Ancient Charge".

Labor was suspended and a supper was served by Ladies of the O.E.S. During the evening session The Grand Secretary gave a very interesting address entitled "Ashatchewan" followed by the Grand Master's address "The Challenge of the General Charge".

I visited all Lodges and am very pleased with the progress of Masonry in this District. Lodges are doing financially and petitions for membership have been received by most Lodges, the majority of petitions being presented by younger men who appear to be very interested in the Craft. Many Lodges have young members as Officers and a devoted interest is shown by them, which speaks well for the future of Masonry in District No. 6.

I would like to strongly recommend that the term for D.D.G.M. be two years instead of one year. I believe this would prove beneficial in many respects as one just gets nearly acquainted during the first year and much more could be done during the second year. I wish to thank the members of all Lodges for their support and co-operation during my term and send thanks to those who so kindly accompanied me on all trips. My best wishes to my successor, W. Bro. Wilkinson.

Fraternally submitted,

H. F. DONALDSON, D.D.G.M.

DISTRICT No. 7

To the M.W. the Grand Master, Officers and Members
of the Grand Lodge of Ashatchewan A.F. & A.M.

M.W. Grand Master and Brethren:

I beg to submit herewith my report as District Deputy Grand Master for District No. 7.

The District Meeting was held in the beautiful new Temple of Battle Lodge No. 19 on June 19th. All Lodges were represented, with 43 members present for the opening at 2:15 p.m. The Grand Master M.W. Bro. J. H. Cuddington, the Grand Secretary, M.W. Bro. Robt. A. Tate and V.W. Bro. M. T. Hennessey were in attendance and received the customary Grand Honors. The Brethren of Landmark No. 44 filled the chairs and accomplished the Installation Ceremony aided by War Bro. A. R. Brinkard. M.W. Bro. Robt. A. Tate answered questions and gave instruction on the various aspects of the Work. He commended the Landmark Brethren on the excellence of their efforts. V.W. Bro. H. H. Max then gave an excellent paper on the History of the oldest Lodge in District No. 7 namely Battle No. 19 originally instituted in 1888. The evening session was opened at 7:35 and the Grand Master on behalf of the Brethren of District No. 7 presented Rt. War Bro. F. R. Wade with the regalia of a P.D.D.G.M. Bro. Wade made a suitable reply. M.W. Bro. Robt. A. Tate gave a very careful and challenging address on "Ashatchewan" stressing the natural beauty and resources of the province. This was followed by an address by the Grand Master on "The Challenge of the General Charge" a fine address well received.

Wor. Bro. James Sinclair Nutting, of Madison No. 97, was selected as D.D.G.M. for 1886-87 subject to the approval of the Grand Master.

I have made official visits to all the Lodges in the District and visited some twice. It was my intention to visit all Lodges at least twice but the advent of an early winter made this impossible. I thoroughly enjoyed the Fellowship encountered on all visits and endeavored to give a paper appropriate to the work being done at the time of my visit. It is pleasant to be able to report that the ritualistic work is being done in a commendable and uniform manner in this district and that no Lodge has new material come in during the year.

Financially the Lodges are sound but it is regrettable that we are still in need of pecuniaries, especially the ones who are financially able to build.

The musical part of our ritual seems to be sadly neglected, it adds so much to our ceremonies, yet only two Lodges use it regularly, though all are equipped with instruments. On my visits I urged the Brethren to use the musical ceremony.

The highlights of this past Masonic year undoubtedly were the laying of the corner stone of the new Temple of Battle No. 19, by M.W. Bro. R. E. Partridge on May 2nd, 1885, and the subsequent dedication ceremonies by M.W. Bro. J. H. Cuddington assisted by M.W. Bro. Robt. A. Tate and R. Wor. Bro. R. Mason, and other L. L. officers on the 25th.

A new A. R. L. was presented to Battle Lodge by M.W. Bro. Robt. A. Tate and were also dedicated by Wor. Bro. Rev. Frank Myers of Loyalty Lodge.

I wish to thank the Brethren of District No. 7 for the honor of serving them, also the Grand Secretary for his ready help at all times, and to the Brethren of Laramie No. 44 for the wonderful support they have given me throughout the year.

For my supervisor Wor. Bro. J. H. Nutting, I would ask the same co-operation and would wish him a pleasant and successful term of office.

Fraternally submitted,

T. R. HUBBARD, D.D.G.M.

DISTRICT No. 8

To the M.W. the Grand Master, Officers and Members
of the Grand Lodge of Saskatchewan, A.F. & A.M.

M.W. Grand Master and Brethren:

I beg to submit herewith my report as District Deputy Grand Master for District No. 8.

The District Fellowship Meeting was held July 18th, in the new Estevan Masonic Temple. The Brethren of Estevan are to be congratulated on the erection of this building, which is indeed a credit to the Craft in the town of Estevan. The Meeting was not very well attended, owing partly to the fact of so many Jubilee celebrations and games being held in the district. A very interesting paper was given on the history of Amity Lodge No. 15, the oldest Lodge in the district, by a Bro. of that Lodge.

The M.W. Grand Master Bro. J. B. Cuddington and M.W. Grand Secretary Bro. Robt. A. Tate and V.W. Bro. F. J. Smart were received and introduced by V.W. Bro. A. J. Lackey. They were welcomed by the D.D.G.M. and accorded Grand Honours.

The Meeting was highlighted at the Evening Session by a wonderful address by M.W. Bro. Robt. A. Tate on "Saskatchewan."

W. Bro. John McLeod of Estevan was selected for the incoming D.D.G.M. for 1886-87.

During the year I have made official visits to seven of the near Lodges in the District. Road and weather conditions and a holiday prevented my visiting the other two. In general I found a good spirit of Masonry prevailing in the Lodges, but the attendance in our Rural Lodges is not what it should be, I think partly due to a lack of interest in the meeting. I have urged that the Brethren brighten up the meetings by something special at each meeting - a Masonic paper or address or in some way endeavor to create an interest in the meeting.

During my year I have endeavored to make the Masonry and Youth Program my special interest and emphasized that Masonry could lead for the future in no better way than to make the Youth of their Communities their special interest and care. I have also urged at every meeting I have attended that the Lodge participate in the Masonry and Youth Fund.

The Finance of condition of the Lodges I found fairly good, some have recently raised their fees which I consider a wise move.

There is quite a lot of inter lodge visiting which I believe is responsible for a fine feeling of Masonic Fellowship in the District.

Lodge notices are sent out regularly and in this connection I would like to recommend Article Lodge No. 21 on the type of notice they send out. On these notices in addition to their own officers, the names of Grand Lodge Officers are printed together with the names and dates of Meetings of the other eight Lodges in District No. 8.

Most Lodges have small libraries but they are rarely used, which I think is a great pity, as most of them contain very interesting books on the history and origin of Freemasonry.

In conclusion, I wish to thank the Brethren who accompanied me on my official visits, especially those of the Howard and New Hope Lodges. Also I wish to thank the Brethren of District 8 who made it possible for me to serve my year as D.D.G.M. and thank the M.W. Grand Secretary for his forbearance and help.

To my successor W. Bro. McLeod, I wish a very successful year as D.D.G.M. and assure him of any help or assistance I can render him.

Fraternally submitted,

R. N. HORNER, D.D.G.M.

DISTRICT No. 8

To the M.W. the Grand Master, Officers and Members
of the Grand Lodge of Saskatchewan, A.F. & A.M.

M.W. Grand Master and Brethren

I beg to submit herewith my report as District Deputy Grand Master for District No. 8.

The District Meeting was held in the Masonic Temple, Wapella, Sask., on Thursday, July 14, 1908, with 48 members and visitors present, all but one Lodge being represented.

The meeting was opened in due form at 2:30 p.m. The Grand Lodge officers, M.W. Bro. J. H. Cusackington, Grand Master, M.W. Bro. Robt. A. Tate, Grand Secretary, and V.W. Bro. Chas. Hubbert, Grand Steward, were introduced, welcomed, invited to the East, and awarded Grand Honours.

The afternoon session was devoted to exemplification of the Installation Ceremony by Wapella Lodge and instruction by M.W. Bro. Robt. A. Tate, which proved very interesting and helpful to all the Brethren.

At the Evening session, M.W. Bro. Robt. A. Tate addressed the Brethren, in his usual able manner, taking as his subject, "Saskatchewan"

M W Bro J H Liddington then addressed the Brethren, his subject being, "The Challenge of the Centennial Lodge". Both addresses were very enthusiastically received.

From my appointment as D.D.G.M. I have officially visited six Lodges of the District at least once during the year. While on visit to each Lodge it was enough to examine every aspect of Masonic activity. I have reported me that Master in District No. 14 is at a very favorable condition. On the whole I found that six Lodges are striving to do their work in conformity with General Lodge instructions. There is an important degree of harmony among the Lodges developed by a regular interchange of visits.

I returned to London before I left Exetermouth. Found and I had seen that most of the Lodges will have their quota before the end of the year. I also stressed the point that an efficient clerical staff is a District Master's job and there must have gone some new lodges work.

I gratefully acknowledge the recognition I received from the different Lodges on developing our District Master's job. My thanks to W Bro J C Briggs for the other manner in which he provided at the Pastmaster's Council for the efforts and members of Wagon Lodge and to W Bro J C Fleming District Secretary for his help in my visit and to W Bro J C Taylor for accompanying me on a lot of my visits. I want to express my sincere thanks to the Brethren of District No. 14 for the assistance given to the Grand Master for his appointment and the kindness and encouragement in his words, and my grateful thanks to M W Bro J H Liddington for the appointment. To him will always be a part of wonderful memories.

To my successor W Bro H Pursey, I extend my congratulations and best wishes for a successful term as D.D.G.M. I can assure him that he will have wonderful co-operation from all the Lodges in the District.

M W Grand Master and Brethren

I beg to submit herewith my report as District Deputy Grand Master for District No. 10.

The District Fellowship Meeting was held in the Masonic Hall in Richmond on June 7, 1956 with a large number of Brethren as an exclusive representative of all Lodges of the District. The meeting was opened in due form by the D.D.G.M. named 11 members of the various Lodges of the District. The flag was presented by Bro. A. J. Anderson of Southgate Lodge No. 142. The General Officers in attendance were the G. and Master M W Bro. J. H. Liddington, M W Bro. R. A. Taylor, Grand Secretary and R W Bro. T. M. Taylor, Grand Finance Warden. The most graceful guests were Brethren W Bro. A. Oliver of King Solomon Lodge No. 14 and invited to the hall where they were welcomed by R W Bro. Mortland, D.D.G.M. and welcomed Grand Masters as follows: West Park and other.

The Officers of Richmond Lodge No. 142 under the direction of R W Bro. Mortland, then made the presentation of congratulations of Officers thus being done in a very cordial manner to the excellent and satisfaction of the Brethren present. Questions were invited by M W Bro. Taylor and a most interesting discussion period followed. W Bro. J. J. Wallingford of Yorkton Lodge No. 18, gave a very interesting paper on "The Charge to the Worshipful Master". It was evident that much thought had been given to its preparation.

The afternoon session was occupied with the exemplification of the Installation Ceremony under the direction of R.W. Bro. L. E. Trew, and corrections, where necessary, were made by M.W. Bro. Rolfe A. Tate.

Two minutes silence was observed in memory of our Brethren, who had answered the call from labour to rest by the Great Architect of the Universe.

The highlight of the Evening Session was a very interesting address by M.W. Bro. Rolfe A. Tate entitled "Baskatchewas" and an address by the Grand Master, M.W. Bro. Cuddington on "The General Change" from the Installation Ceremony. Both addresses were very well received.

I wish to express my sincere thanks to all who helped to make the District Fellowship Meeting such a success. I have visited all Lodges in the District once and some of them twice. The Spirit of Fellowship pervades throughout the District and the co-operation of the W. Masters and the Secretaries was very much appreciated. Most Lodges are in good financial position.

I do not think that the Youth programs have flourished as they should. The opinion is the same through the District, not enough Youth to have a good night. The "Golden Jubilee Youth Fund" did not meet with the enthusiasm it deserves.

Those Lodges that have heavy arrears of dues would be well advised to take immediate steps to rectify the situation.

It has been an extreme pleasure serving the Brethren of District No. 15 and meeting so many of them personally. I do hope that many of them will take the time to attend the Golden Jubilee Commemoration in Saskatoon this summer. I want to thank them for recommending me for appointment, and M.W. Bro. Cuddington for the appointment. To M.W. Bro. Rolfe A. Tate, thanks for tolerating my shortcomings and for all the advice and help he has extended to me. He has been a tower of strength to me during my term of Office.

To my Successor W. Bro. R. I. Wright, I want to extend to you my best wishes for a successful year and I am confident that you will be extended the same kind Masonic welcome that was extended to me.

To W. Bro. Earl Burgess and to W. Bro. Thomas Nydop, my sincere thanks for accompanying me on some of my trips.

M.W. Grand Master and Brethren

I beg to submit herewith my report as District Deputy Grand Master for District No. 12.

A very educational and successful District Meeting was held in the Masonic Temple at Estevan on July 21st, 1955, with 47 Brethren in attendance. R.W. Bro. Ralph Baker introduced M.W. Bro. J. H. Cuddington, Grand Master, and M.W. Bro. Rolfe A. Tate, Grand Secretary. The Grand Officers were then invited to the East and Grand Reports accorded.

The exemplification of the Installation Ceremony proved very interesting. The 30 Past Masters who were in attendance were particularly interested in this exemplification.

The Grand Secretary gave an outstanding address on "Baskatchewas", an address that should make every Baskatchewas Freemason proud to have

During the year official costs were paid to all Lodges in the District and on every occasion the welcome could not have been more hearty as the Fellowship more so. The work is remarkably uniform throughout the District and certainly proves the benefit derived from our Fellowship Meetings. All Lodges are financially sound and many of them are interested in improving their Lodge rooms. It is encouraging to note that all but two of the Lodges in the District own their Temples and are taking pride in providing the proper atmosphere and comfort for their meetings.

Some of the Lodges are very active in admitting new members, who seem to be of good social culture and should be a benefit and a credit to their respective Lodges and the Fraternity in general. Unfortunately, there are a few Lodges who do not have the same opportunity and on their behalf I would recommend that the Lodge that has more than one initiate, invite the officers of a neighboring Lodge to confer with the degree and thereby encourage closer contact and friendship between Lodges.

It has been a rare privilege and honor to serve District No. 13 as representative of the Grand Master and I extend to the Brethren my sincere thanks for the confidence that they placed in me.

I beg to submit herewith my report as District Deputy Grand Master for District No. 14.

I commenced my duties as D D G M of District 14 at the Amherst District meeting held at Amherst June 19th, 1965. The Meeting was opened by R W Bro. Clarke with the officers of Mountbush Lodge No. 129 occupying the Officers chairs. It proved to be a very fine meeting.

The M W the Grand Master J H Cuddington was in attendance and assisted in due form, accompanied by M W Bro. Robt A. Tule, Grand Secretary. They were introduced by R W Bro. J. Dunbar of Amherst Lodge 108.

The officers of Mountbush Lodge 129 efficiently accomplished the Installation Ceremony and were highly commended by the Grand Secretary.

A paper prepared by Bro. T. Blum on the oldest Lodge in the District was read by W Bro. I. Root and was followed by open discussion in which M W Bro. Robt A. Tule answered many questions relative to Lodge work.

After recess and supper the brethren reassembled at 7 p.m. when the Grand Master presented R W Bro. C. Clarke with his D D G M certificate and R W Bro. McArthur with the regalia of a Past D D G M. The M W Grand Master and the Grand Secretary each addressed the meeting, after which they asked permission to retire.

W Bro. G. Crumpton of Woodrow Lodge 112 was then nominated and selected as D D G M for 1966-67 subject to the approval of the Grand Master.

During my regime all Lodges were visited in the fall and I found them in very satisfactory condition. Meetings were well attended and the work efficiently discharged. At all lodges I emphasized the value of, and the need for, rallying round the project of the Grand Master, the Youth Endowment Fund.

As I lay under my responsibilities I desire to express my deep appreciation to the Brethren for their hearty co-operation in carrying out my duties, and most of all to the M W Grand Master J H Coddington and the Grand Secretary M W Bro. Robt A Tate for their kind guidance, which was deeply appreciated.

I beg to submit herewith my report as District Deputy Grand Master for District No. 14.

The 16th Annual District Meeting of District No. 14 was held in Winnipeg on July 7th at 2 p.m.

The Grand Master and Grand Secretary were received and awarded Grand Honours. The unavoidable absence of V. Wor Bro W C Hibbert, Grand Director of Ceremonies was noted with regret.

Much valuable instruction was received with reference to the Installation Ceremony demonstrated by Quail Lake, Wadena and Effron Lodges.

Brether Joe Tobackhaus of Wadena Lodge presented a paper on the Working Tools.

A Banquet was served at intermission in the halls of the D.E.B.

At the evening session addresses were given by the Grand Secretary and the Grand Master. A P.D.D.G.M. a sponse was presented to Rt. Wor Bro W C White and a D.D.G.M. certificate to Rt. Wor Bro D H MacDougall by the Grand Master.

Wor Bro. Doug Macraffe was selected (on recommendation) for the office of D.D.G.M. for the next term.

I have officially visited all eight Lodges in this District once and have made additional visits to some of them. My plans in this regard were somewhat curtailed by our unusual weather and I have not done as much Lodge visiting as I had hoped to do at the beginning of my term of office. I was received with courtesy and kindness by the members of all Lodges and I thoroughly enjoyed my visits with them.

There appeared to be much enthusiasm for Masters among the Brethren with whom I came in contact. One Lodge has had as many as two emergency meetings during the last year. The average attendance at Lodge has fallen somewhat and much concern was expressed in some Lodges with regard to this ever-present problem. Work which I undertook was creditably and well done, with every effort being made to observe the uniformity and high standard of our ritual.

It was a matter of some regret and considerable inconvenience to me that some Lodges failed to answer correspondence effectively and promptly. I considered this thought to all Secretaries for the benefit of my successor.

The Grand Lodge Jubilee Youth Endowment Fund was received with less enthusiasm than I had hoped for and in some Lodges the response was definitely disappointing. The District as a whole however compares favourably at the time of writing with other Districts in the Jurisdiction.

One Lodge, Effron, has organized a Youth Club which is taking much time, effort and money from the members of that Lodge. Their plan, which is being watched with interest by the Grand Lodge Youth Committee, is proving successful and will be an excellent pattern for Masonic Youth programs to follow in communities such as Effron.

The Annual District Youth Night was held in September in Weyward at the Memorial Arena with over four hundred Masons and Youth in attendance. This highly successful program demonstrated the enthusiasm and co-operative spirit of the Masons in this District.

On concluding my term of office I wish to express my appreciation to the Brethren of District 15 for the privilege of serving them as D D G M and to thank them for the courtesies and kindnesses shown me on my visits among them.

It has been an honor and a privilege to have served you, M W Grand Master, and to have been associated in office with the M W Grand Secretary.

The annual meeting of District No. 16 was held at Semans on July 25th last, with a good attendance. Impromptu addresses were delivered by the Grand Master and the Grand Secretary, at this meeting. I have made an official visit to each Lodge in the District, and was gratified with the cordial reception extended to me on each occasion. Attendance at Lodge meetings was not as good as we would wish.

The harmony and good Fellowship exhibited by the members was very noticeable. On the whole Masonry in this District is in a healthy condition, with good prospects for the future, all Lodges being in a good financial position.

To the Brethren of District No. 16, thank you for giving me the privilege of serving you and Masonry. Your kindnesses and courtesies will ever be remembered.

The 28th annual Fellowship Meeting of District No. 17 was held in the Masonic Temple, Hawarden on July 22nd, 1955, with an attendance of 62 Brethren. Hawarden Lodge No. 143, with W Bro. C Stebbins acting as Installing Master, exemplified the Installation Ceremony in a very capable and dignified manner. The programme of the day was highlighted by the very timely and inspirational addresses given by the Grand Master and Grand Secretary.

I visited every Lodge in the District. The condition of Masonry throughout the district is very satisfactory and all Lodges appear to be working harmoniously. On the whole the esoteric work was done in a very commendable manner.

All Lodges appear to be in good financial standing. An imposing number of initiations speak of progress. The books and records of the various Lodges are well kept and historical records are being gradually brought up to date.

In my youth I stressed the importance of the Golden Jubilee Youth Endowment Fund. I also had the privilege of showing some colored Masonic slides at several Lodges. Personally I feel that one of the needs in our district is that of increased interest for Masonic research and study. I believe it would be well to keep up interest and attendance in some of the Lodges that are having difficulty in keeping up their average attendance.

I have enjoyed my visit at D.D.G.M. very much. It has been a wonderful experience and a rare privilege. I would like to thank the Brothers who selected me. M.W. Bro. Lockington, Grand Master, who confirmed my appointment. M.W. Bro. Tate, Grand Secretary, for his guidance and assistance, and R.W. Bro. Head for his able handling business as District Secretary.

To my informant V.W. Bro. Welling, I extend best wishes for an enjoyable and successful Masonic year.

M.W. Grand Master and Brothers:

I beg to submit herewith my report as District Deputy Grand Master for District No. 18.

A very successful District Fellowship Meeting was held in the Masonic Temple, Nipawin, on Tuesday, July 27th, 1923, and of the eight Lodges in the District being represented, with 75 Brothers signing the register. The afternoon session was also opened at 2:30 by the D.D.G.M. assisted by Brothers of Nipawin Lodge No. 180.

M.W. Bro. J. H. Lockington, Grand Master, accompanied by M.W. Bro. Rait, A. Tate, Grand Secretary, and V.W. Bro. R. D. McLeod, Grand Steward, were introduced by R.W. Bro. W. C. Stewart, P.D.D.G.M. They were welcomed on behalf of the District, visited to the East and awarded Grand Honours.

Participation of the Installation Ceremony was carried out by the Officers of Star 1-15, Lodge No. 1 of the Installed Master's Rate being exemplified by the Officers of Toulon Lodge No. 78. Time was allowed for discussion and many questions were asked by the Brothers as regard to the Work, which were very intelligently answered by the Grand Secretary.

A very fine paper presented by W. Bro. A. W. Macdonald of Hudson Bay Lodge who was unable to be present was read by W. Bro. R. J. R. Macdonald. At the close of the afternoon session an excellent supper was served by the Ladies of the Nipawin Chapter Order of the Eastern Star.

Labour again being resumed at 7:30 p.m. the Grand Master presented R.W. Bro. J. W. Stewart with a suit of P.D.D.G.M. regalia, a gift from the Brothers of District No. 18 in appreciation of his excellent work. Certificates of appreciation were presented to R.W. Bro. M. C. Macdonald, D.D.G.M. and to V.W. Bro. R. D. McLeod, Grand Steward.

M.W. Bro. Rait, A. Tate gave a very inspiring address entitled "Thanksgiving" dedicated to the Jubilee Year of our Province and our Youth. He stressed the debt owed to Youth not only for their part in our past life but also for their great sacrifices in the defence of freedom and our way of life.

For his address the Grand Master chose the topic "The Challenge of the Centennial Change" dwelling on the various points raised by the Charge, and recommending they be committed to memory. Both speeches were very heartily applauded.

Following the retirement of the Grand Lodge Officers at 8.40 p.m. District business was again resumed. V W Bro. J F Hill of Star City Lodge, No. 152 was selected for recommendation to the Grand Master, as the next D.D.G.M. for District No. 18. W Bro. Jas. Branko of Nipawin Lodge No. 188 was chosen as District Secretary.

I officially visited all the Lodges with one exception, and was well received on each occasion. Twice my planned visit to Arberfeld Lodge, because of illand conditions, had to be postponed, but I still hope to make this visit at their May meeting. I observed Degree Work in several of the Lodges, while in the rest, other Work was exemplified. All Work was efficiently and creditably conducted, and is quite uniform throughout the District. I found the secretaries most co-operative, and the books, records and finances of the Lodges appear to be kept in good order, all of which is a good indication of the condition of Masonry in District No. 18.

I greatly appreciated the courtesy and fellowship extended to me by the Brethren of the Lodges on the occasion of my visits, and also wish to thank the members of my own Lodge who accompanied me. I am indeed grateful to the Brethren of District No. 18 for having given me the pleasure and privilege of serving them as D.D.G.M., also to M W Bro. J H Cuddington, Grand Master, for having confirmed my appointment. To my successor V W Bro. J F Hill, of Star City Lodge No. 152, I extend my sincere congratulations and best wishes for a very enjoyable and successful term as D.D.G.M.

M W Grand Master and Brethren

I beg to submit herewith my report as District Deputy Grand Master for District No. 20.

The second Meeting of District No. 20 was held in the Avonlea Masonic Temple on July 26th, 1955, with all the nine Lodges of the District represented.

The Grand Lodge Officers in attendance were the Grand Master, M W Bro. J H Cuddington, the Grand Secretary M W Bro. Robt A. Tate, and V W Bro. G. W. Switzer, Grand Steward. The Grand Lodge Officers were introduced by Rt. W. Bro. Cathro of Avonlea Lodge and were welcomed to the East and accorded Grand Honours.

The Installation Ceremony under the efficient leadership of Wor. Bro. Ed. Armstrong of Emerson Lodge as Installing Master was exemplified. The Installed Master's Rite was performed by Wor. Bro. R. A. Lewis of Grey Lodge and his team of officers. As the Ceremony was exemplified, M W Bro. Robt A. Tate answered many questions and offered helpful suggestions as to how the Work might be improved.

Following the discussion period, a brief history of the oldest Lodge in the District, namely, Lang Lodge No. 34, was given by Wor. Bro. Geo. Britton, the present Master of the Lodge.

At the Intermission a delightful Banquet was served by the Auxiliary Ladies' Aid.

At the evening session the reception of a Grand Lodge Officer was emphasized.

M W Bro. Robt. A. Tate gave an inspiring address on the "Grand Lodge of Brotherhood in the Future: Past, Present and Future. The resources of our power: its Challenge and Opportunity."

M W Bro. Jas. C. Chadderton gave as his address, "The Challenge of the General Charge." Both addresses were inspirational and were greatly appreciated by the Brethren.

Following the report of Rt. W. Bro. J. N. Pedersen on the welfare of Masonry in District No. 20—a ballot was taken to select a D D G M elect for the year 1946-47. Bro. Bro. H. K. Johnston of Ringway No. 40 was selected by a majority. Bro. Bro. J. A. Butwell was chosen by a show of hands to act as Secretary for the coming year.

During my term of office I have visited all the Lodges in the District more officially and several times unofficially. It has been my pleasure and privilege to be present at Anniversary Banquets and other special meetings of the different Lodges.

The Work is remarkably uniform in all the Lodges and the officers have shown a keen interest in and responsibility to the duties with which they have been entrusted and I believe that Masonry as practiced by the Brethren of District No. 20 is in a healthy state.

I wish to take this opportunity to express my appreciation to the Brethren of District No. 20 for having given me the pleasure and the privilege of serving them as D D G M. The happy experience that I have had in visiting and becoming better acquainted with the Brethren of the different Lodges shall be cherished throughout the year.

I would be remiss if I did not again express my appreciation to Rt. W. Bro. R. C. Hodgeson for the time and help that he gave me from his already very busy activities.

I also wish to take this opportunity of thanking the Grand Master for the privilege of serving as his Deputy in District No. 20 and to the Grand Secretary for his helpful advice.

To my successor, Bro. Bro. H. K. Johnston, I extend my best wishes and wish for him the same support that I have received.

M W Grand Master and Brethren

I beg to submit herewith my report as District Deputy Grand Master for District No. 21.

The second meeting of District No. 21 was held in Simpson on Monday, July 22nd, with six out of eight Lodges present.

The Grand Lodge Officers were introduced and accorded Grand Welcome.

At the afternoon session, instruction on the Installation Work was given and our Grand Secretary answered questions relating thereto.

During intermission the Brethren enjoyed a Banquet provided by the members of the Imperial Chapter of the Order of the Eastern Star. At the evening session M W Bro. Robt. A. Tate, Grand Secretary, gave an interesting address on "Brotherhood" and M W Grand Master, Bro. J. H. Chadderton, an address on "Challenge of the General Charge." Both were well received and enjoyed.

During my term as D.D.G.M. I officially visited all Lodges of my district once and hope to make a second visit this spring. At all times my companions and I were made very welcome and were shown every respect and consideration. The Secretaries were very cooperative and problemless in these duties. On the whole the Work was well put on, but I think if there was a larger attendance at the District Meetings, there would be a better understanding of the principles of Masonry.

I was pleased to see so many young men filling the offices in these respective Lodges, their interest and attendance speaks well for the future of Freemasonry. Several of the Lodges have a Youth Night and are trying to interest the boys in the better way of life.

It has been a great privilege to represent the Grand Master in District No. 23 and I wish to express my appreciation to the Officers and Brethren for the honor of serving them. I would also like to ask that the same kind consideration be extended to my successor W. Bro. Ivan McMillan.

M.W. Grand Master and Brethren:

I beg to submit herewith my report as District Deputy Grand Master for District No. 23.

The first Meeting of District No. 23 was held in the Masonic Temple at Saskatoon, on Tuesday, Aug. 9th, 1955 with all Lodges in the District represented.

The following Grand Lodge Officers were in attendance: The Grand Master, M.W. Bro. James H. Cuddington, and the Grand Secretary, M.W. Bro. Rold A. Tate. The distinguished guests were introduced by R.W. Bro. Wm. Leith P.P. G.M. of District 17 and escorted to the East where they were accorded Grand Honors.

W. Bro. A. Rold of Emerald Lodge assisted by W. Bro. Rold Clark and Officers of Saskatoon Lodge No. 9, arranged for the installation ceremony. Questions were asked by M.W. Bro. Rold A. Tate and answered in a very able manner and an interesting discussion followed. A paper entitled The Oldest Lodge in the District, Harmon's Lodge No. 7, was prepared and ably presented by R.W. Bro. Ford.

An interesting address by Banquet was given by the Members of the Saskatoon Chapter of the Eastern Star. I wish to express my sincere thanks to the Members of Saskatoon Lodge for carrying out the brethren's affairs so well.

At the Evening session the M.W. Grand Master and the M.W. Grand Secretary addressed the meeting. Their messages were well received and given attentive hearing. At the Business Session of the Evening meeting R.W. Bro. J. F. Hager was elected District Secretary for District No. 23 for the year 1955-56 and W. Bro. Rold Clark of Saskatoon Lodge No. 9 was selected as D.D.G.M. for the year 1956-57 subject to the confirmation of the incoming Grand Master.

I visited all Lodges in the District once officially and have made a number of unofficial visits, and received a courteous welcome on each occasion. I have found a grand spirit of Fellowship existing among the Brethren throughout, a steady program and increase in numbers in many of the Lodges. I receive congratulations to the secretaries of the Lodges of the District. Every Lodge I visited I found the books and records in first-class shape, and a well-trained Brother holding the office. There was a great help to me as D.D.G.M. and also, I am sure, to the Masters of the respective Lodges.

Since receiving the Statistical Reports of the various Lodges, several of the Lodges have put on a drive to collect arrears of dues. This drive met with good success, and reduced the outstanding dues by approximately 35% for the District.

In conclusion, I would like to take this opportunity to express my thanks to M W Bro. Cuddington, Grand Master, M W Bro. Tate, Grand Secretary, and the other Grand Lodge Officers, for appointing me the first D D G M of the newly formed District No. 22, a position which I did not feel I warranted, but which I tried to fit to the best of my ability. I also wish to thank all those who so kindly assisted me. Special thanks to R W Bro. Wm. Leith and E W Bro. J E. Burt, and the Members of Sovereign Lodge. To my successor I wish the same loyal support the Brethren saw fit to extend to me.

R. PEARSON, D D G M.

Report of Board of Custodians

M W Bro. N R. Craig presented the report of the Board of Custodians, which, on the motion of M W Bro. N R. Craig and F C. Wilson, was received and adopted as follows:

To the M W the Grand Lodge of Saskatchewan, A.F. & A.M.

Brothers:

The Custodians of The Week beg to report as follows:

*At the Forty-Ninth Annual Communication the Board reported to Grand Lodge that it had under consideration a request from District No. 5 that when candidates are presented by the Deacons to the Senior and Junior Wardens, to prove that they are in possession of the necessary knowledge pertaining to the various Degrees, that the candidate should halt in front of the W. Master, facing the East and be instructed by the Deacons in the Step and Sign of the Degree.

The Board considered it advisable that the various Districts in the Jurisdiction should be consulted before a decision was made. This was done at the various district meetings next ensuing with the following result: Six favoured the change. Fourteen were opposed to the change. Two refrained from expressing an opinion.

The Board therefore considers it unwise to make the proposed change and rules accordingly.

Imperial Lodge No. 66, Saskatoon, has made the following suggestion for a ruling by the Board of Custodians as to whether Brethren should stand or remain seated when the Masonic Funeral Ceremony provided for use in a church, a funeral home or residence of the deceased, is being conducted.

The Board rules as follows:

That the members of the Craft should stand throughout the ceremony.

Fraternally submitted,

N R. CRAIG, Chairman.

3. The Grand Lodge of Rio de Janeiro made a overture with the Grand Orient of Brazil in an attempt to achieve national unity in Masonry through unit Brazil and good progress is reported.

4. A similar attempt for unity between the National Grand Lodge of France and the Grand Lodge of France though approved by the former unfortunately has failed for the present, although the latter professes that its most ardent wish is to live in communion with the Masons all over the globe in a common ideal of brotherhood, loyalty and tolerance. If their leaders are sincere in this desire it is to be hoped that they will regularize their practices and co-operate for National unity by joining in the Concordat tendered them.

We gratefully acknowledge receipt of complimentary copies of the following publications:

1. A Report on Fraternity in Uruguay" issued by the Commission on Information for Recognition of the Conference of Grand Masters of Masons in North America.
2. "Grand Lodge Recognition" also by the Commission and being a symposium on "The Basic Principles for Recognition." It is fittingly dedicated to the memory of M. W. Bro. Karl J. Mohr, late Executive Secretary of the Commission whose passion for World Brotherhood led him to sacrifice the Commission as an instrument to that end.
3. A Study in Foreign Recognition" by Denlow published by the Masonic Service Association. Included with copious notes, are thirteen charts showing recognition awarded by various Grand Lodges.

All these are authoritative and of great assistance in those concerned in this "special and difficult Masonic field."

On the local scene we have received various communications dealing with pending Grand Lodge applications for recognition but none justify further action at this time.

Pursuant to our request approved a year ago the Grand Lodge of Norway did on September 1 Feb. 1935 grant us recognition and Grand Representatives have been exchanged.

Prior to 1934 the Grand Lodge of California did not exchange Representatives. They were due on our request and through the Grand Secretary we are presently negotiating such exchange.

We rejoice in the advance made to the end "that we shall be united into one united band of society of friends and brothers among whom no contention should ever exist, save that noble contention or rather emulation, of who can best work and best agree."

DOUGLAS FRASER, Chairman.

Report of Committee on Library

R. W. Bro. M. Herman presented the report of the Committee on Library which, on motion of R. W. Bro. M. Herman and M. W. Bro. F. C. Wilson, was received and adopted as follows:

To the Most Worshipful the Grand Lodge of Saskatchewan, A. F. & A. M. Brothers:

A survey of the activities of the library department for the past twelve months reveals no outstanding development nor accomplishment, but although very little change is apparent, there has been continued progress in all phases of the work.

We beg to report that the proceedings and published periodicals received have been placed on our ever crowded shelves and on the floor, and wherever space was available.

In the words of Ella Wheeler Wilcox.

"Our ship drives East, and another drives West,
With the well-worn wheels that drive,
To the set of the sails, and not the poles
Which tell us the way they go
Like the winds of the air are the ways of fate
As we journey along through life
To the set of the *Goal* that decides its goal
And not the storm or the strife."

Report of Committee on Necrology

M. W. Bro. F. H. Auld presented the report of the Committee on Necrology which, in motion of M. W. Bro. F. H. Auld and R. W. Bro. J. Burns, was received and adopted as follows:

To the Most Worshipful, the Grand Lodge of Saskatchewan, A. F. & A. M. Brethren

In this Golden Jubilee Year of Saskatchewan Freemasonry, all of us quite naturally contemplate the growth and development of our Institution during the past half century. Your Committee on Necrology however is much impressed with the fact that the numbers of our Brethren who have in the past three years crossed the veil is higher in proportion to the total membership of this Grand Lodge when it was formed in 1905. While we deplore the loss of these Brethren and hence, long members in our hearts and in our memories, we also rejoice in the knowledge that the growth and strength of Grand Lodge is such that even so much a loss as this does not without requiring witnesses to general efficiency or higher efficiency.

Three hundred and twenty of our deceased Brethren are named in the last two years annual returns from constituent Lodges to our Grand Secretary. Two of them were Past Grand Masters. Thirteen others had served as District Deputies of Grand Masters and one had served Grand Lodge in other capacities. The following details are submitted concerning those who had a varied Grand Lodge rank.

M. B. Brother James William Lister, Saskatchewan Lodge, No. 16, veteran, jurist and statesman, was admitted to Masonry in 1920. He served as W. M. of Saskatchewan Lodge in 1928, as D. D. G. M. of District No. 3 in 1931-32 and was elected to the Board of General Purposes in 1932 where he served on several important committees. He was elected Grand Senior Warden in 1934, Deputy Grand Master in 1935 and Grand Master in 1936. In 1936-37, M. W. Bro. Lister was Chairman of a committee to review and expedite the Bylaws of our Grand Lodge. The report of this committee was approved and adopted by Grand Lodge in 1937. M. W. Brother Lister's services extended to membership in the Saskatchewan Lodge of Perfection, the Saskatchewan Chapter of the Rose Cross and he was also an Honorary Member of the Supreme Council of A.A.B.B.

Our deceased Brother occupied several important positions in civil life. His preparation for three years graduation from the University of New Brunswick, N. B. in 1900 graduation from Harvard Law School, U. S. in 1915. He was lecturer in Jurisprudence at the University of Saskatchewan in 1915-16 lectures in Law 1916-17 to 1923. He was admitted to the Bar of Saskatchewan in 1917, served as Agent of the Attorney General of Saskatchewan from 1921 to 1925, was made a King's Counsel in 1925 and in 1929

Figure 1. Schematic representation of the experimental design. The subjects were divided into two groups: the control group and the experimental group. The control group received a standard training program, while the experimental group received a training program with a focus on the specific skills required for the task. The results of the training program were compared between the two groups.

1. The first step in the process is to identify the problem or issue that needs to be addressed. This involves gathering information and understanding the context of the problem.

1. The first step is to identify the key components of the system. This includes understanding the hardware, software, and data involved.

The following are the general characteristics of the two different methods: (a) The first method is based on the assumption that the system is in a steady state and the output is proportional to the input. (b) The second method is based on the assumption that the system is in a transient state and the output is not proportional to the input.

"That the Grand Lodge auditors be invited to meet with the Board of Trustees of the Benevolent Fund, at a meeting to be arranged, and present their suggestions as to consolidation of funds and bank accounts and that the Chairman of the Committee on Finance of Grand Lodge be invited to attend."

Audited statements giving full information of the affairs and standing of all funds administered by your Trustees were duly prepared and sent to all Lodges. The Board cannot emphasize too strongly or too often that this information should be reviewed in each and every Lodge in the jurisdiction in order that the membership generally may be kept well informed of the great work in which we are all engaged.

Report of Committee on Masonic Relief and Charity

R. W. Bro. J. T. Tomlinson presented the report to the Committee on Masonic Relief and Charity, which on motion of R. W. Bro. J. T. Tomlinson and M. W. Bro. J. C. Carter, was received and adopted as follows:

To the M. W. the Grand Lodge of Saskatchewan, A. F. & A. M. Brethren

Your committee on Masonic Relief and Charity pays tribute to the faithful services of R. W. Bro. A. S. Pipes, member of the committee through eleven years and nine years its Chairman. We regret to report the passing of a venerable member of the 1925-26 committee in the person of M. W. Bro. Mark Mink.

We note that no report was presented by the committee at the 1933 Convocation, consequent to the passing of R. W. Bro. Pipes. We note also

that each of the reports from 1950-54, inclusive, records: "No requests for assistance were received and there were no grants made." We repeat these remarks for the present Masonic year.

Doubtless this was a very necessary committee at one time in relieving cases of need among Masonic brethren that could not be dealt with by the Grand Lodge Benevolent Fund. Clearly the committee did a worthy work through a good many years but its services were somewhat restricted by limited resources.

Grand Lodge recognized the need of a more effective means of dealing with situations involving Relief and Charity and created the Grand Lodge Benefit Fund. Since the year 1949-50 this Fund has been serving the original purposes of the Committee on Masonic Relief and Charity and doing so more effectively.

We conclude that there is no longer a need for a committee on Masonic Relief and Charity, since it has ceased to function. We, therefore, recommend that this Committee be discontinued.

Fraternally submitted,

J T TOMLINSON, Chairman

Report of Committee on Charters

M W Bro. J C Carter presented the report of the Committee on Charters, which, on motion of M W Bros. J C Carter and R R McEwen was received and adopted as follows:

Brethren

Your Committee on Charters received no applications for Charter during the past Masonic year.

Report of Committee on Masonic History

R W Bro. R Mayson presented the report of the Committee on Masonic History, which on motion of R W Bro. R Mayson and W Bro. J W A Poulton was received and adopted as follows.

To the M W the Grand Lodge of Saskatchewan, A.F. & A.M.

Brethren

Two years ago your committee on Masonic History undertook to publish a History of Saskatchewan Freemasonry, A.F. & A.M., hoping to have it ready for our Jubilee Meeting at this time. A year ago we requested that \$1000. be set aside to enable your committee to engage someone who would compose and write the history as it should be published. Unfortunately, the source material has been by only 188 Lodges. 59 Lodges have still to submit a copy of their history. For this reason we are not in a position to have any book published. To do so, we would be giving only part of the story. Therefore we suggest that the History Committee adopt a five year plan, during which the compilation can be completed and collection of individual Lodge histories made part of the duties of the District Deputy Grand Masters. This would put quite a working force behind your History Committee.

To those Lodges who have sent us their historical record, we express thanks on your behalf. We want to assure them, their efforts have not been disregarded. The material is in the Archives. Never before has so much history of Saskatchewan A F & A M been placed in the Archives of the Grand Lodge.

To give some historic story at this time your committee had compiled a record of the history of the original 29 Lodges who organized Grand Lodge of Saskatchewan in 1906. The story has been included in the Jubilee Souvenir program. We hope you will like it. Your Committee are most grateful to Most Worshipful Brother Douglas Fraser of Assiniboia Lodge No. 49, Regina, and to Brother W. J. S. Hooper, Kingston Lodge No. 1 Prince Albert, for their very generous help in compiling this historical record for the Jubilee program.

In our report of a year ago, your committee stated we would have the graves of the deceased Past Grand Masters respected with a view to having them properly taken care of. To date about half have been respected, most are receiving proper care, however your committee will leave the reporting of this matter until we are in a position to make a full report. We trust at the next annual communication.

Again we urge all Worshipful Masters to report to the Masonic History Committee any significant historical event taking place in their Lodge throughout the coming year so that it may be recorded in the Proceedings.

R. MAYSON, Chairman.

Report of Special Committee on Fiftieth Anniversary

R. W. Bro. R. Mayson presented the report of the Special Committee on the Fiftieth Anniversary, which, on motion of R. W. Bro. Mayson and M. W. Bro. R. B. McEwen, was received and ordered printed in the Proceedings of Grand Lodge as follows:

To Most Worshipful Brother J. H. Cuddington, Grand Master, Grand Lodge of Saskatchewan, A F & A M

M. W. Grand Master

After several meetings held in Saskatoon by your Committee on the Fiftieth Anniversary, and others by sub-committees, the work was completed of arranging suitable celebrations to mark the Golden Jubilee of the formation of the Grand Lodge of Saskatchewan in 1906. The completed program is as follows:

1. Golden Jubilee Religious services throughout the Province on Sunday, June 10th, 1956.
2. A Masonic Play to be given Wednesday evening "The Rose Upon the Altar" by Banner Lodge No. 154, Regina.
3. On Thursday, June 21st, after all business has been transacted the Jubilee Celebrations will continue at 12:15 (noon) with the Golden Jubilee Banquet. Brother John B. Hubbard of Chicago will be our guest speaker.
4. At 2 p.m. in the Lodge room we shall proceed with a Flag Ceremony, by W. M. Bro. R. J. Leach and Bro. N. F. Bennett, Members of the Royal Canadian Mounted Police, by kind permission of Inspector Shakespeare, Saskatoon.

5. Introduction of Brother W J Patterson, Lieutenant-Governor of Saskatchewan and Brother J D McAnkill, Mayor of Saskatoon.
6. We shall be honoured with a presentation to Grand Lodge by the 28 Lodges who constituted Grand Lodge in 1908.
7. Introduction of Fifty Year Masonic Veterans.
8. Presentation of souvenir to Fifty Year Masonic Veterans by Lieutenant Governor.
9. Installation of Grand Lodge Officers and Closing of Grand Lodge. Your committee prepared and had printed a Souvenir Program. Each member attending the banquet will receive one copy. (The cost has been included in the price of the banquet ticket.) A limited number of others are available at one dollar each.

Your Committee could not come to any conclusion and we therefore make no recommendation relative to the proposed "Medal of Merit".

We wish to acknowledge the work done by the Grand Master's Jubilee Committee of the years 1953-54 and 1954-55. So much preparatory work had been done by these committees that it was made very easy for your committee to finalize the various projects.

The numerous small but very important matters requiring attention to make our celebrations a success, were readily undertaken by many of the brethren, especially members of the Saskatoon Lodges. Thanks for this assistance has been extended on your behalf.

We must not overlook the extra work required to be done by the Grand Secretary, for these Jubilee celebrations have required a great deal of his time and energy. Most War Bro. R. A. Tate has been most helpful.

Report of Committee on Printing and Supplies

R.W. Bro. J Burns presented the report of the Committee on Printing and Supplies, which on motion of R.W. Bro. J. Burns and M.W. Bro. J O. Clarke, was received and adopted as follows:

To the M.W. the Grand Lodge of Saskatchewan, A F & A M
Brethren:

Your Committee authorized the purchase of printing and supplies for the Grand Lodge Office during the year as required.

The Grand Stewards' suite which, incidentally, are the original suite purchased when Grand Lodge was formed fifty years ago, are beginning to show their age. During the year three suits were replaced and the other five suits are on order. It was hoped to have all the eight suits replaced for this meeting of Grand Lodge in order that the Grand Stewards would look their best on this auspicious occasion but, unfortunately, only three of the new suits of Regalia have come to hand.

In accordance with the usual custom, tenders were called for the printing of the 1956 Grand Lodge Proceedings. Tenders were received from one firm in Regina and two in Winnipeg. The tenders received from the Regina firm and one of the Winnipeg firms were almost identical, the second Winnipeg firm being considerably higher. Your Committee, after due consideration, awarded the contract to the Regina firm.

During the year a considerable amount of special Stationery and Supplies were purchased in connection with the Fiftieth Anniversary Celebration but, in view of the fact, that these were incurred on account of the Fiftieth Anniversary Celebrations, they were charged to the Special appropriation for that Committee and were not charged to the Printing and Supplies Account.

Fraternally submitted,

JOHN BURNS, Chairman.

Announcement

The Grand Master made the following announcement:

"Brethren, it is necessary that we have an evening session in order that there will be ample time tomorrow to fittingly celebrate our Golden Jubilee. However, this evening, immediately all unfinished business has been disposed of, we are to have the happy privilege of witnessing the Masonic play—'THE ROSA CRUA' AT THE ALTAR'. This play, written by that great Masonic Master, Carl H. Cloudy, will be presented by Brethren from Banner Lodge No. 154, Regina. I assure you one and all that you may look forward to the presentation of this play with the keenest anticipation. I predict it will be remembered as one of the highlights of this historic session of Grand Lodge."

The hour having arrived for adjournment, the Grand Master declared Grand Lodge adjourned until 8:00 p.m.

Report of Committee on Freemasonry and Youth

R.W. Bro. L. H. Bergstrom presented the report of the Committee on Freemasonry and Youth, which, on motion of R.W. Bros. L. H. Bergstrom and R. Mayson, was received and adopted as follows:

To the M.W. the Grand Lodge of Saskatchewan, A.P. & A.M.

Brethren:

From its earliest beginnings prior to World War II Freemasonry's program for Youth has grown and prospered. Through the years the conviction has grown that Masonry has a unique opportunity and in fact, an important obligation to the future, in the role it can play in developing youth. Freemasonry and Youth is not something 'added on' to Masonic activity, but is more and more part and parcel of the total of what might be termed Masonic enterprise. If we believe in the philosophy of Masonry as surely we must, and regard ourselves as 'builders', it follows very naturally that Masons will

- 4 The extent of financial support available for any particular project or number of projects must necessarily depend on the size of the Fund and the demands made upon it. It is not intended that Lodge initiative in matters of program planning or financing will in any way be reduced or interfered with, but rather that these projects will be encouraged and strengthened by the support herein suggested.

Your Committee is fully conscious of the need for and the great possibilities of the Program for Freemasonry and Youth which lie ahead. The work already accomplished throughout the Lodges of the Jurisdiction in the years past, together with the work now going on and also the great possibilities ahead, lead us to the conviction that we must, as Lodges and as individual members, since the opportunities now open to us to give our resources to our hopes for the future of Youth and Masonry. We therefore most earnestly appeal for continued and growing support to the Program and to the Fund.

Your Committee wishes to acknowledge with deepest gratitude the assistance and encouragement so often received from the Grand Master and the Grand Secretary. The District Deputy Grand Masters have also been a source of strength in helping the Committee render its services to Lodges, and to the program in general. In the Lodges where the new work of Freemasonry and Youth is, in the final analysis, actually done, the Committee wishes to record its appreciation of the leadership and work given by the W M s, Youth Committees and interested brethren who have contributed of time, substance, talent, time, energy and experience toward achieving the high purposes of Freemasonry and Youth.

Report of Committee on the Tracing Board

M W Bro Robt A Tate on behalf of R W Bro George E. Rolson (Editor) presented the report of the Editorial Committee on The Tracing Board, which on motion of M W Bro Robt A Tate and M W Bro Douglas Fraser, was received and adopted as follows:-

To the M W the Grand Lodge of Saskatchewan, A F & A M
Brethren

The Editorial Committee of the Tracing Board begs to submit its Fourteenth Annual Report.

The Grand Lodge had been in existence nearly thirty-seven years before our monthly messenger was absorbed. This is the fourteenth year of publication.

In we present this report to the Golden Jubilee Celebration we are assured that the Tracing Board has played an effective role in a modest way. It has been a source of inspiration for the brethren, a platform from which the Grand Master can speak a vehicle which the Grand Secretary uses with such effectiveness in various ways, an opportunity for constituent Lodges to inform us of interesting events, a guide into the field of Masonic Research, an interpreter of Freemasonry and a medium for the editor to express ideas that may be expanded into addresses. In other words, too, we hope we have justified your expectations.

To all who have contributed to its columns and assisted in its preparation, we offer our hearty thanks. The Editorial Committee and the Editor find joy and satisfaction in their endeavor to serve you through the pages of the Tracing Board.

Respectfully submitted,

GEORGE E. BOLINA, Editor

However, the U.S. is not alone in this. Many governments, including the governments of Canada, New Zealand, and the United Kingdom, have also adopted a single, static, one-dimensional model.

Report of Credential Committee

To the M.W. the Grand Lodge of Saskatchewan, A.F. & A.M. Brethren.

Your Credential Committee have pleasure in presenting the following report to the Fiftieth Annual Communication of Grand Lodge.

There are 226 Lodges on the Register, of which 25 have the Worshipful Masters and both Wardens in attendance. There are 52 Lodges not represented. There are 98 Worshipful Masters, 90 Wardens, and 314 Past Masters in attendance, a total of 504 Representatives carrying a vote of 722.

This registration would indicate that the efforts of the Golden Jubilee Committee have succeeded in stimulating the interest of members in our

Fiftieth Anniversary celebrations through increased attendance at our Grand Lodge sessions. We have an increase of 80% in the attendance of Lodges having the Masters and both Wardens present, a decrease of 35% in Lodges not represented an increase of 55% in the number of Past Masters in attendance and an overall increase of 37% in Representatives present, over our Annual Communication of 1935. We believe this year's figures constitute a record high to date.

I would like to express my thanks to, and acknowledge the valuable assistance received from Rt. Wor. Brothers W. W. Smuter, L. H. Bergstrom, J. E. Burt, V. W. Bro. Garvie and W. Bros. Alex. McMillan and G. A. Ferguson at the registration desk.

To the M. W. the Grand Lodge of Saskatchewan, A. F. & A. M. Brethren

The 1936 Conference of Western Canadian Grand Lodges, held in Banff, Alberta, on September 8th, 9th and 10th was a most pleasurable and profitable experience for those who attended.

The special speaker at the opening of the Conference was Most Worshipful Bro. Long, Past Grand Master of the Grand Lodge of British Columbia. He chose for his subject "A Search of Keys", and made an outstanding contribution to the occasion by comparing each step in the advancement of a candidate with a key which opened a new door of knowledge and opportunity for service.

To the Secretary of the Conference, M. W. Bro. Geo. Ellis, Past Grand Master of the Grand Lodge of Alberta, must go the credit for arranging a most worthwhile programme of papers for discussion. Copies of these papers and a report on the discussions which followed each one are included in the Proceedings of the Conference, which have been distributed to all the Lodges in Saskatchewan. No better source of information and inspirational material can be found for discussion in our Lodges and I highly recommend them to research and study committees.

The Representatives from Saskatchewan were M. W. Bro. J. H. Cuddington, Grand Master, M. W. Bro. Robt. A. Tate, Grand Secretary and R. W. Bro. R. C. Hodgeson, Deputy Grand Master.

Edmonton, Saskatchewan

Dear Doctor Herman:

I am sending to the Grand Lodge of Saskatchewan, care of Most Worshipful Brother R. A. Tate, one of the stones removed from the foundations of the White House, together with a letter from the undersigned as Chairman of the District of Columbia Grand Lodge Committee on White House Stones.

I regret not being able to furnish one from the former President, the Honorable Harry S. Truman, but he is not in position to sign such a communication at this time."

"Most Worshipful Brother R. A. Tate, Grand Secretary,

The Grand Lodge of Saskatchewan, A. F. & A. M.,
Regina, Saskatchewan

Most Worshipful Brother Tate:

In the rebuilding of The White House, in 1802, a number of stones, with Masonic symbols carved upon them, apparently the "signatures" of members of the Craft who wished to associate their Freemasonry with the construction of the building, were discovered.

The President of the United States called my attention, as the then Grand Master of Masons of the District of Columbia, to the presence of these stones and summoned me to the White House and placed them in my charge, with definite instructions that one of these stones be presented to each of the Grand Lodges of the Nation, and any remaining be distributed at my discretion, that they might be preserved as a connecting link between the formative days of our country and the fraternity.

These stones represent something which cannot be measured in terms of value and it is my desire that The Grand Lodge of Saskatchewan be the custodian of one of these stones, therefore, I am asking you to represent me

The hour having arrived for adjournment, the Grand Master called the Craft from labor to refreshment.

Banquet

The Golden Jubilee Anniversary Banquet arranged by the Fiftyeth Anniversary Committee, and held in the Breckinridge Hotel, on Thursday, at noon, June 21st, 1954, was a highlight of this historic Meeting of Grand Lodge.

After beautiful musical selections rendered by those accomplished artists, Mrs. Robert M. Forrest, tenor, and Miss Dorothy M. Overholt, violinist, M. W. Bro. R. E. Partridge, as toastmaster, happily introduced the Guest Speaker, Bro. Rev. John H. Hubbard, Past Grand Chaplain of the Grand Lodge of Illinois. He delivered a most eloquent and inspiring address on "The Declarations of Masters." On behalf of the five hundred Brethren present, M. W. Bro. Second Day — Afternoon Session Golden Jubilee Anniversary Celebrations

FLAG CEREMONY

W. Bro. Cpl. R. J. Lewis, Royal Canadian Mounted Police, presented the Union Jack and Bro. Sgt. N. F. Bennett, presented the Stars and Stripes at the Altar, using the following ceremonies:

"I now present our Flag—the Union Jack—the emblem of Freedom and Democracy.

"As its component crosses were successively conceived to symbolize the voluntary unions of free peoples, so may it continue to typify the greater stature of our wider Commonwealth.

"May the red, the colour of the sacrificial blood of the martyrs, the white like the snow, lambentism of Masonry, and the blue of the changeful vault of the sky, symbolically depicting **CHARITY, PIETY and TRUTH**, bind wherever it floats the wide world round to fashion forth a new pledge of Liberty, Equality and Fraternity for all peoples everywhere. Long may it wave."

So mote it be.

NATIONAL ANTHEM

I now present the flag of the United States of America—the Stars and Stripes. As its stripes represent the original thirteen states and its stars represent the original thirteen and thirty-five other states which have been added successively to the great Republic, so may it continue to grow in the respect of other nations and as its powerful support of freedom the wide world over.

The flag which I now present is a Ceremonial Flag, the gift of the Brethren of the Grand Lodge of Montana and expresses not only their patriotism, but also their regard and affection for the Brethren of Pennsylvania.

"I join with my brother flag bearer and borrow his words. Wherever the Union Jack and the Stars and Stripes float, may they, with one voice, bind us forth a new pledge of Liberty, Equality and Fraternity for all peoples everywhere. In the unity of that pledge, long may they wave."

So mote it be.

PRESENTATION TO RETIRING GRAND MASTER

M W Bro Robert A Tate, on behalf of Grand Lodge, presented the retiring Grand Master M W Bro J H Clitheroe, with a specially engraved Past Grand Master's Letter Jewel and a set of Past Grand Master's Counters. In making the presentation, M W Bro Robert A Tate referred to the

conscientious and unselfish service of M.W. Bro. J. H. Cuddington to the interests of Saskatchewan Freemasonry, during his year as Grand Master. He also referred to the close and intimate association, an association out of which had developed a sincere friendship as between the Grand Master and the Grand Secretary. Bro. Tate also intimated that it had been a privilege to work and serve with M.W. Bro. Cuddington during his year of Masonic leadership. He commended the Grand Master for his fine contribution as Presiding Officer at the Fiftieth Annual Communication and Golden Jubilee Celebrations.

M.W. Bro. Cuddington, in acknowledging the Presentation, stated that its value was very much enhanced, coming as it did from one who had come to mean so much to him, during his year as Grand Master. He expressed his grateful thanks for the fine assistance he received from the Grand Secretary. He also took advantage of the opportunity to express his appreciation to R.W. Bro. J. Burns for so efficiently carrying out the duties of Grand Director of Ceremonies during the Meetings of Grand Lodge. M.W. Bro. Cuddington also expressed appreciation for the contribution of Bro. A Brief History of Freemasonry in Saskatchewan

*"Look backward with Gratitude
Look upward with Confidence
Look forward with Hope"*

THIS quotation well characterizes the spirit which has activated the growth and development of Freemasonry within our territorial Jurisdiction.

The formation of the Grand Lodge of Saskatchewan, on August 28th, 1906, marked a "milestone" in the progress of the Order in that area of the North West Territories then but recently created the new Province of Saskatchewan.

As we celebrate the Fiftyeth Anniversary of that historic occasion we are, however, reminded that our Masonic history actually extends from October 13th, 1878, a span of seventy-seven years. We celebrate more than a Golden Jubilee. It is coeval with the pioneer settlement of the prairies and forms a foundation stone of the structure of our present day Western Canadian civilisation. When viewed in its relation to that epoch it is of fascinating interest and vital significance.

In the performance of our part, we must keep in mind the traditions of bygone days. We must protect the ideal and devotion of our early Brethren, and emulate their virtues. In short, we must lay hold of all that is good from the past and which endures the greater application of the present. Thus will our Temple stand forth perfect in its parts and as becometh to the builders.

"My message to you is to be courageous

Be as brave as your fathers or better you

Have faith—go forward.

—FRED TAYLOR, A. L. SUMNER & LARRY BISHOP, 1957

Grand Lodge gratefully acknowledges the invaluable services of the long-consider named Grand Master's Committee responsible for all arrangements of our Golden Jubilee Celebrations.

Masonic Declarations

R. W. BRO JOHN B. HUBBARD,

Past Grand Chaplain, Grand Lodge of Illinois

The following address was delivered at the Grand Lodge Banquet on June 21st, 1958:

Most Worshipful Grand Master, Past Grand Masters, and Brethren:

On June eighth of this year, Bishop T. Maynor, Most Worshipful Grand Master of the Grand Lodge of Illinois, wrote me a letter expressing his regret that he had been compelled to leave the service as a guest of our Grand Master for a brief, but faithful, trip to an important and highly important celebration. He did not in his letter, however, say anything about the Grand Lodge of Illinois. There are of us who have been privileged to attend Grand Lodge meetings on some of the past years in Illinois, where we have observed and enjoyed such occasions are. The work given to our temples, never fades from the hearts of members. You are a great people doing a great work in your Grand Lodge. It has been a matter of real personal pleasure to me to be present on several occasions when illustrious Brethren from Illinois were present at the Grand Lodge in Illinois. Now we and countless applicants always greet their appearance.

Let us to our thoughts of Masonry Declaration. I begin by pointing out that we are a good hearted and a stout hearted people. The scientific method, he mentions in the heart and modern science still employs careful techniques to obtain concepts of love, devotion and brotherhood. The heart might only hold a point yet it holds up enough energy in the heart to let us live, thus can let off of the ground. The pump pushed blood through every thousand miles of blood vessels. Such a machine would reach from New York to Hong Kong in one of the Pacific Ocean. In the course of a year the heart pumps out hundred and fifty gallons of blood, sending the five quart supply through the system multiple times over. The average heart beats over one thousand times every hour. At the age of 40 has been on the job for over 100,000,000 times.

Yes, the heart is a wonderful and mysterious organ with a will to beat that is almost invincible. The heart of Masonry is also very wonderful. It beats with the world. It beats with the globe. Masonry makes declarations that drive to the hearts of the difficulty that never shows deception that show danger and that are the answer to desperate human need. Too many

thought you were driving."

and be considered, irrespective of our politely excused ourselves from these opportunities for service. But the Master well knows that there is no work of supererogation but a demonstration of what brotherhood really means. A man can do such things because he has lifting power.

Masonry's most significant declaration proclaims the source of this lifting power. "God! Truth comes from God and leads one toward God. The truth indeed shall make us free. Who is the truth? He is the one who leads and helps. Thanks be to God for God! Thanks be to God that Masonry proclaims the Supreme Ruler of the universe. No matter what comes, if man is to receive it as he should, he must be in the right relationship to God. If it be joy, then give thanks to Him. If it be prosperity, show your gratitude. If it be disappointment, He will encourage you. If it be failure, with Him all things are possible. If it be sickness, He is adequate to the emergency. If it be bereavement, true consolation can only be found in Him. And even if it be death, He has conquered that, too, and has prepared a place for us, a house of many mansions. Masonry's greatest declaration is, Behold the God! Thus with the Lord! Heed Him!"

God sees. God cares. God helps. Here is a transcript of most encouraging statements. A recent General Electric advertisement pictured a large pair of hands reaching down to rescue a drowned swimmer, bobbing around in the great waves, as he clung to his life raft. Masonry does more than teach adequate truth to meet any crisis; it points to abundant help for any need.

When the stormy side of life depresses us with its uncertainties and we think the human race has gone to the dogs, let us remember that Masonry has demonstrated what can be done by a man and Master. Thus would all the disaster trouble had not experience proved true and again that a man inspired by noble thoughts can do noble deeds.

Samaritheiman has had Masonry for 77 years. Your Grand Lodge even now celebrates its Fifteenth Anniversary. Most sincere and enthusiastic congratulations are in order and have been pouring in upon you from various parts of the world. These words of praise are not over statements, but true. If anything, they are understatement. You have done a great work. How great is known only to God. He alone can measure the treasure brother has conferred upon brother. It has been estimated that if all of the power in a gallon of gasoline were used, there would be enough power to lift the sun-ship, The United States, ten inches. Behold the power of your Masonry! Consider what you have done! Dare to do what you can do using your full power!

FORTITUDE

W. Bro. J. E. Campbell

Fortitude is one of the cardinal virtues. It is stressed in one of the very first lectures in Masonry. A clear way through life, situations will arise wherein this basic quality must be expressed. These situations arise in the home, in your relations with your fellow men and in your duties to the nation. Those who possess this quality always stand upright, with faces turned forward, ready to meet situations as they arise, with no thought of drifting with the tide.

Masonry offers no escape from the world. So long as we live we are a part of it and should do what we can to make it better, nobler and peaceful. Masonry is a way of life, an understanding of the deep meanings of it through which we are enabled to taste to the fullest, the joys of Brotherhood, fellowship and the happiness of living, working and doing for each other. That takes fortitude.

The world at large is not organized on that basis. Jealousies, hatreds and ambitions encompass the earth. What we have to offer is what the whole world needs and wants. In times of stress and trouble the spirit shines we teach are brought back. Yet the scared and hungry heart of man comes back to them. Therefore, now, must we exhibit our fortitude and strength of conviction on this, after this confusion is over we can do much to heal the wounds and hurts of war and evil.

It is both desirable and necessary during these perilous days, to exhibit a true knowledge of Brotherhood to each other and to the world, a steadfast fortitude that fear and danger cannot shake. Fortitude is derived from the Latin, meaning heavy and the ability to carry on under pain and privation. In Masonry we think of it as the ability to meet situations as they arise without flinching. Firmness of decision, strength of action, are standards by which we measure man. In weakness we can do nothing. In strength, we can achieve every just purpose. Let us, then, hold fast to fortitude.

It is also possible that the observed differences in the response of the two groups may be attributed to the different levels of physical activity. The sedentary group may have been less fit than the active group, which could have influenced their response to the intervention. However, the study did not measure physical activity levels, and the groups were matched for age and sex, which suggests that the differences in response are likely due to the intervention itself.

The design of the study is presented in Figure 1. The independent variable is the presentation of eight different stimuli sets. These stimuli sets are categorized according to the number of stimuli shown in each set (2, 4, 8, 16, 32, 64, 128, and 256).

FREEMASONRY IN EUROPE

REV. C. P. KELLS

As was stated in a previous article (*Jour's Times*, p. 16) and Speculative Freemasonry has spread from the Grand Lodge in England to Europe, to America, and elsewhere.

Freemasonry in France

It is said that the Grand Architect of the Universe established the first lodge in France in 1725. This was another Master Builders' or Freemasons' Club organized for the purpose of building castles, bridges, for private and public works, and for the instruction of the young in the art of building, engineering, and the related crafts.

In the French lodge of 1725, which by some authorities is supposed to have been organized by the English Grand Lodge of France in 1725, there was no religious aspect. The lodge was a Grand Lodge of Masters, and its members were not required to believe in God. It was a lodge of Master Builders, and its members were not required to believe in God. Freemasonry in Germany

The first recorded lodge in Germany was formed at Rastatt in 1717, under the sponsorship of the Grand Master of England. This lodge was organized by the Grand Master of England, and its members were not required to believe in God. It was a lodge of Master Builders, and its members were not required to believe in God.

Freemasonry in other European Countries

In Sweden, a lodge was organized in 1734, and in 1735 the Grand Lodge of Sweden was organized. The lodge consisted of two degrees, Master and Fellow, and its members were not required to believe in God. It was a lodge of Master Builders, and its members were not required to believe in God.

The first all-Canada conference was held in Toronto in 1967, followed by the second in 1970 in Vancouver. The conference in 1970 was the last. The case of Γ being a $\mathbb{Q}$ - Γ -bimodule gives a generalization of the result that the right adjoint to the localization functor is the localization of the right adjoint. The corresponding result for the localization of the right adjoint is also true, but the proof is more complicated. The result is that the right adjoint to the localization of the right adjoint is the localization of the right adjoint of the right adjoint. This result is also true for the localization of the right adjoint of the right adjoint.

Now we pass to celebrating our Golden Jubilee, traditionally the year of the fresh start. We look on with gratitude to God and our Pioneer Fathers that into our hands has been passed this spiritual treasure of all Masons. To use it as an education, to know us as a spiritual body which, as it flows for uniting and gathering the human race that represent the Goodly in man and for the building of a world in which the worth of all men is acknowledged and in which we will find an opportunity to live up to their God-given possibilities is to make ourselves the instruments of the purposes of the G. This is the task we inherit and the challenge we must face. We submit the following Remarks in the hope that therefore the Brethren may get a fresh picture of the Universality of the order and how it is functioning and thereby rekindle their enthusiasm for the work which lies ahead.
